REPORT OF PEE DEE BAPTIST ASSOCIATION SUNDAY SCHOOL

The Sunday School performs seven tasks for the church. Each task is a church task ich would have to be done by some other organization if it were not done by the nday School. The Sunday School organization should hold priority in the organiza-nal structure of the church in order that these seven tasks can be carried out ade-ately. Let us list these seven tasks:

1. Teach the Biblical revelation.
2. Reach all prospects for the church.
3. Lead all church members to worship, witness, minister and learn daily.
4. Provide organization and leadership for special projects of the church.
5. Provides and interprets information for the church and the denomination.
6. Expresses the purpose and functions inherent in the nature of the church.
7. Leads its members into action.

The purpose of the Associational Sunday School organization is to promote the al Sunday School organizations in the local churches. Conferences are held through-t the association for the purpose of strengthening the local Sunday Schools to carry t the seven primary tasks of the Sunday School.

During the past year the Pee Dee Baptist Association Sunday School organization ld three major conferences in addition to the annual Action Night Program. These nferences were designed to aid the teachers and officers of the various departments.

It was somewhat discouraging that many of our churches were not represented at the conferences.

The Action Night program was held September 1 at Second Baptist Church in Hamlet. The program consist of an introduction to the Church Growth Plan, a plan to be put into effect in October in the Sunday School to try and reach adults for our Sunday Schools. G. Carl Lewis, pastor of First Church, Rockingham, brought the closing message on "Fulfilling our Mission through Education."

The Pee Dee Baptist Association Sunday School organization recommends the following goals for the coming year:

1. That all our Sunday Schools make use of the Church Growth Plan.
2. That we encourage our officers and teachers to participate in the Association Sunday School Conferences that are being planned.
3. That each church observe January Bible Study Week. The study for the coming year is the Book of Amos.
4. That each church plan to conduct a Vacation Bible School.
5. That our churches encourage their Sunday School workers to attend the Sunday School conferences at North Carolina Baptist Assembly, Fruitland, and Ridgecrest.
6. That each church strive to increase its Sunday School enrollment by 3% over 1965.

Respectfully submitted,
Charles Hinson

REPORT OF THE WOMAN'S MISSIONARY SOCIETY

Woman's Missionary Union is committed to helping a church fulfill Christ's purpose on earth. The work done by Woman's Missionary Union is church work. The tasks performed by Woman's Missionary Union are church tasks. As we assume this responsibility for helping our churches, we make a contribution to the total life and work of our churches. Our tasks are to: Teach Missions, Lead persons, to participate in missions, and provide organizations and leadership for special missions projects of the church. If we are to fulfill our tasks, we must have Woman's Missionary Unions in every church.

We have twenty-eight churches with Woman's Missionary Unions. As of today twenty churches have reported. Thirteen churches have Sunbeam Bands; fourteen churches have G.A. Work, nine churches have Young Women's Auxiliaries. We have one honor Woman's Missionary Union; three honor G.A.'s, two approved Woman's Missionary Unions; six approved Sunbeam Bands; one approved G.A., one approved Y.W.A., one advance Woman's Missionary Union, four advance G.A.'s and seven advance Sunbeam Bands. All of our three missions have some Woman's Missionary work in them. We still have five churches that do not.

During the year we have had regular quarterly Executive Board Meetings. We began our work last year with an Associational Leadership Workshop at the First Church, Rockingham, with one hundred and sixty-five present.

The highlight for our Y.W.A.'s was their rally at the Laurel Hill Church. Several of our girls were able to go to Ridgecrest for Y.W.A. Week.

Our G.A.'s organized an Associational G.A. Auxiliary during the year. They had their rally at Laurinburg First Church. Miss Margie Spence, retired Missionary to Chile, was their speaker.

The eight year old Sunbeams had a Day Camp at the Shrine Hall, Laurinburg. They too had a missionary couple with them.

We have had many good meetings during the year. A Home Mission Institute, A eek of Prayer, and Bible Study with Miss Bertha Smith leading, on "How To Pray." Many of our leaders went to Ridgecrest, and Campbell College for special training Woman's Missionary work.

Our Annual Meeting was April 12th at First Church Ellerbe, our theme was "Proaim and Witness." Many of our ladies heard Captain Ned Beatty speak.

As we focus our attention on "A Church Fulfilling Its Missions Through Educaon" Woman's Missionary Union is equipped to help. We will focus on its tasks teaching missions. We will work to organize, to stimulate more church members study, and to make them aware of missions.

Let us "Grow in grace, and in the knowledge of our Lord and Savior Jesus Christ." Peter 3:18.

REPORT ON THE BIBLICAL RECORDER

Many important issues are facing North Carolina Baptist. Churches are making cisions on the Life and Work Curriculum, especially whether to use the Life and ork Sunday School lessons or the Uniform Lessons. For a period of at least six onths, the Recorder will run both lessons as a service to our churches.

In our state, changing conditions are raising serious questions about the fate of most every institution we support. In the near future Baptists will have to decide r future course in higher education and in our Social Service institutions, Recorder ll present the issues and possible choices open to us.

In the Southern Baptist Convention, there is talk of a name change. The work of Baptist Colleges is being studiedas never before. A great Crusade of the Americas in the planning stages. All of us need to know about these developments.

In addition to issues within our own denomination, new and disturbing clouds are the horizon elsewhere. Talk of a New Morality, the so-called Death of God Movent, and the drastic changes in young people's attitudes toward the church are being dely discussed. Christians need to be informed on these trends.

A drive is taking shape in North Carolina for liquor-by the-drink. The 1967 General ssembly will consider such proposals and Baptists need a dependable source of inrmation so they can act when necessary. The Recorder will give on-the-spot covere.

Instead of merely receiving this as a report, please take definite action to see that e Recorder soon goes to every family in your church membership. All of us know at the Recorder is just as important as other literature which our churches distribute, not more so. No other publication can take the place of the Biblical Recorder.

In these inflationary times, it is refreshing to have something that is not out of ach financially. Under the Church Budget Plan, the Recorder is available for two llars a year - the same price it was more than 100 years ago. Your church will be stronger church with every family receiving our state paper each week. Don't delay is important decision, especially in view of the issues facing North Carolina Baptist the coming year.

Doran Cook

REPORT ON BAPTIST CHILDREN'S HOMES

Under the impact of the life, ministry and teachings of Christ and under the leaderip of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Chrisn ministry of child care. This has grown considerably and is widely recognized for

its qualities of service and pioneering spirit. Sons and daughters of the Children' Homes are scattered throughout the world. They are actively engaged in all walks life and are making a significant contribution to the uplift of mankind as a result their early Christian training made possible by North Carolina Baptists and oth friends.

As we continue to build upon foundations already laid, special attention is beir given certain areas of child care. An already strong program of group care is beir strengthened at Mills Home, Kennedy Home and Odum Home. A good degree of pr gress has been realized in working with emotionally disturbed children at Greer Hom in Chapel Hill. The demonstration Child Development Program for pre-school chil dren, conducted on the Mills Home campus, has had an excellent first year of opera tion. Churches throughout the state are studying the program and facilities preparato to providing similar services. Prospects are encouraging for a home for children i the western part of the state more adequately to serve the needs of our people wh live west of the Blue Ridge Mountains. Constant attention is being given to more ef fective ways of meeting the highly specialized needs of children coming out of broke and inadequate home situations.

We have a large number of good Christian homes for the care of foster childre More are needed in all sections of the state. Foster homes serve children of all age and are of particular advantage for some who have special needs. Foster home parent may be of varying ages and circumstances in life. Couples with or without childre of their own who have an abundance of love find this to be a challenging and rewardin opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way, helped to suppo our child care ministry. We are indeed grateful for increasing income through the Co operative Program. Last year's Thanksgiving Offering is approaching three hundre fifteen thousand dollars ($315,000.00) and is the largest ever. Special gifts and desig nations such as the Once-a-month offering continue to provide a substantial part c our income. Through estate planning and the making of Christian wills an increasin number of individuals and families are investing in present and future generations c boys and girls who are in need of the services of the Baptist Children's Homes. Roge Williams, former pastor of the Mills Home Baptist Church, is devoting full time t working with our Baptist people in this area, and he or other members of our staff wil count it a privilege to assist you in exploring this field of Christian stewardship

We convenant with you to face the future as we have the past: to offer Christia nurture to distressed children in the Name of the Lord Jesus Christ.

Robert Rollins

REPORT ON CHRISTIAN EDUCATION

In making this report, I am assuming that it is supposed to relate to the effo that the Baptists of North Carolina are making to supply schools of higher learnin for those who desire to better prepare themselves to serve their fellow men in thi world. With this assumption in mind, I point out the fact that the General Board c our denomination is suggesting that the constitution and by-laws of our conventio be changed to read "Christian Higher Education" instead of just "Christian Educa tion." It should also be pointed out that we are referring only to our seven college which are: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest an Wingate. The total enrollment for the Fall Semester, 1965 (our latest figures) wa 11,414. Indications point to the possibility that there are many more in 1966.

As of the 1965 figure, approximately 600 young men and women who expect to give eir lives to one of the Christian vocations are enrolled in the North Carolina Baptist lleges. These include: pastors, chaplains, directors of religious education; directors church music, home missionaries, institutional workers, denominational workers, achers, and many others.

The Cooperative Program income budget for the Council on Christian Higher Educa- on and the seven North Carolina Baptist Colleges for 1966 was $1,382,000. In ad- tion to this, each college will share in an anticipated Cooperative Program coverage approximately $120,000. For 1966 the Cooperative Program income for the seven ptist colleges represents an endowment in excess of $35,000,000. This guaranteed nual income is an important factor in maintaining accreditation.

The Cooperative Program has been called the lifeline for the North Carolina Baptist lleges. An advance for the Cooperative Program is always an advance for Christian gher education.

We are grateful that more churches each year participating in observance of Chris- n Education Day, which is always on Father's Day, in June. There are two objec- es in observing Christian Education Day: to afford each church an opportunity to ake an offering over and above the regular Cooperative Program giving. We urge ery church to observe this day in some way in 1967.

Several of the presidents of these colleges have already or will be retiring soon. . Hoyt Blackwell, Mars Hill College and Dr. Carlyle Campbell, Meredith College, tired at the close of the school year 1966. Dr. Leslie Campbell, Campbell College, d Dr. Harold Tribble, Wake Forest College, have announced their retirement as of ne 1967. Too much could not be said for the contribution which these men have ade to the cause of Christian higher education.

Two fine Christian men, both of whom have served as deacons in Baptist churches, ve been elected to head Mars Hill and Meredith colleges. Both of these men possess ry high Christian and educational qualifications. Dr. Fred Bentley, formerly dean of e College of Arts and Sciences, University of Louisville, Kentucky, is the new esident at Mars Hill College, and Dr. Bruce Heilman, formerly Vice-President of abody College, is the new president of Meredith College. Let us join hearts and ads in prayer as committees work to secure men to head Campbell College and ake Forest College.

The Council on Christian Education, at the July meeting on the campus of Chowan llege, voted unanimously to engage in special study on the Christian vocational rker. Concern is being felt throughout the Convention because of the general decline the number of young people choosing a Christian vocation. Two of the main em- ases of this study will be:

1. The most effective way that the Baptist Colleges, the State Convention, and the local churches can join hands in enlisting more young people for the Christian ministry.
2. How more financial assistance can be made available to these students.

As C.B. Deane, in his 1965 report on Christian Education stated, "Christian ucation, in today's world, is a must...the colleges deserve our prayers and pport."

Respectfully submitted,
Ben L. Broadway

REPORT ON HOMES FOR THE AGING

Reflection on the past year of life in our four Baptist Homes for the Aging is reminder once again of the goodness of the Lord to us. We are constantly aware the bountiful way in which He has blessed us, and this has been particularly true nce our last report to the good people in our Baptist Associations.

During this time we have ministered to 172 deserving older men and women. A of these have been blessed by the love gifts of North Carolina Baptists, through th Special Day Offering, received on the third Sunday of February each year, and throug our share in the Cooperative Program. The large majority, at least 85%, have benefit directly from these gifts and have actually been sustained at the point of their fina cial need.

The Special Day Offering for 1966 is at an all time high and looks as if it mig be $100,000 for the first time. This is very good, and we are profoundly grateful. W must not forget, however, that, even though there has been a 5% increase in th offering from last year, costs have advanced by 7%.

We are in the midst of miracles, and the past year has been one in which we ha witnessed unusual blessings from the Lord. There have been fewer deaths than pr viously, and the critically ill, in many instances, have been brought back to a measu of reasonably good health. Nursing care has been of the highest quality, and y would rejoice to know how far your concern and your gifts go in ministering to th needs of the residents, particularly at the point of tender loving care in illnes

Perhaps the outstanding paradox in all of our Homes is that the first resident receive a medicare card, during this first year of the operation of Medicare, is o oldest resident, who never takes any medication at all and who does not need to s a doctor, or go to the hospital. She is Aunt Fannie Drumwright, who celebrated h 105th birthday in July.

It is anticipated that construction will begin on our fifth Home at Yanceyvil during the coming year, and when it is completed, we will be able to minister in a of our Homes to 200 older men and women and relieve, in measure, the terri pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the lov the prayers, and the increased financial support of North Carolina Baptists. We ar therefore, going to count heavily on you and believe that you will not disappoint t aging people who are looking to you urgently for help.

Respectfully submitted,
Sim Smith

REPORT ON THE NEED OF AN ASSOCIATIONAL MISSIONARY

Last year the Pee Dee Association adopted a motion authorizing our Moderat to appoint a committee to "Study the possibility of reinstating the Superintendent Missions Program" and make reports of its study to the Executive Committee a "that a definite proposal be presented at the next session of the Pee Dee Bapti Association."

The committee consists of Charles Hinson, G. Carl Lewis and John Hiott.

The committee began its assignment by gathering information and materials de cribing an Associational Missions Program. In addition to written materials we m with Ernest Upchurch, Secretary of the Church Development division of the Baptist Sta Convention of North Carolina.

From all resources we determined the cost of beginning and maintaining a progra of Associational Missions in its first year to be about $15,000. Some of this cost necessary in establishing the program and will not reoccur in later years.

We discovered three organizational structures in employing an "Associatio Missionary."

1. In cooperation with another Baptist Association.
2. In cooperation with a church within our association which does not have a full-time church program.
3. Independent; full-time given to the work of the Pee Dee Association.

The committee feels that the full-time missionary is desirable and possible if re is full support from the thirty-five churches of the Association. We have arrived the average cost per resident member: $2.50. The Committee is not attempting to sess the churches, only indicate the level of support necessary to establish and intain an effective program of association missions.

We recommend that the Pee Dee Baptist Association proceed to establish a pro-m of Association Missions and that the following procedure be followed.

1. Each church be well informed as to what a program of Associational Missions is and why it is needed in our association.
2. That a financial commitment be secured from each church in the Association toward the support of the program.
3. On the basis of these commitments, the Executive Committee proceed to establish the program.

G. Carl Lewis
Charles Hinson
John B. Hiott

nendment to the report: The Rev. Scott Turner, Jr. made this amendment. That the ommittee be continued and asked to write a job description for the office of Associa-onal Missionary.

REPORT ON EVANGELISM

A recent "Analysis Survey of 1965 Baptism" in North Carolina reveals some teresting insights.

The survey involved 1,604 churches reporting 17,220 baptisms.

89% of those baptized were enrolled in a Sunday School.

This leads us to see the important place the Sunday School plays in our evangelis-c efforts. This organization is still our greatest effort in evangelism. Only 11% of ir baptisms were not enrolled in Sunday School.

21% of those baptized were not related to church members.

Perhaps this is both "encouraging" and "discouraging." Certainly it shows our ost fruitful field is among those families where some identity is made with the hurch. We see, also, our weakness in reaching out beyond those already participating the church programs.

43% of those baptized were won during revivals.

We have not reached the ideal place where every Christian grows daily and has o need of revival. The need for periods of special emphasis on renewal and outreach ill always be with us. To neglect these efforts is to weaken our ministry.

Having looked to the past: let us now look to the future-where our eyes come to ocus upon the date "1969" and the words "Crusade of the Americas."

The Southern Baptist Convention closed its District meeting with an impressive ageant launching the "Crusade of the Americas." This gigantic evangelistic cam-aign will unite Baptist from North, South, and Central America in the greatest single" evangelist effort in the history of Christianity.

The campaign slogan is "CHRIST, THE ONLY HOPE."

The Crusade of the Americas idea was sparked by a two-year Brazilian evangelis-ic crusade in which almost 100,000 people have been won to Christ.

Herschel H. Hobbs, a vice-president of the Baptist World Alliance said, "This service poises us on the threshold of the greatest evangelistic endeavor in the annuals of the Christian era. Never have so many been challenged to bear the blade of the Gospel.

"Shall we accept the Challenge? The need of our churches demand it. The morals of our nation demand it. The confusion of the world demands it. The despair of our age demands it. The worth of every lost soul demands it."

Soon dates will be established for our churches in the Pee Dee Association. Decide now to participate with the twenty-one countries of the Americas.

REPORT ON SUMMER CAMP

The Pee Dee Baptist Associational Summer Youth Camp was held August 22-25 of this year at Camp Monroe in Laurel Hill, North Carolina. This was the second year of this endeavor and we were most pleased with the outstanding results.

The theme for our camp was "My Life in God's Hands;" the theme song - "Take My Life and Let It Be;" the theme Scripture - "And I give them eternal life, and they shall never perish, and no one shall snatch them out of my hand" (John 10:28 RSV).

The activities, studies, teaching periods, and worship periods were so designed as to encourage each camper and staff member to give themselves completely and wholly to God and to let Him be their guide in life.

The mornings were given to Biblical instruction, Christian living conferences, and a missionary address. The afternoons were devoted to organized recreation and handicraft activities - these the children thoroughly enjoyed. The evenings were devoted to worship that was led by the camp pastor and a missionary emphasis by our camp missionary. The formal activities closed each night with a fellowship hour.

There was a total of 110 campers and 18 staff members for the camp. In addition to this, we had five people on the instructional and recreational staff who came every day. Of the 110 youth campers, eighty were Juniors and thirty of Intermediate age. Also, there were forty-seven boys in attendance and sixty-three girls.

The total cost per camper this year was $12.00, with many churches paying part of their children's expenses. In all, seventeen churches and one mission of our association were represented in the camp.

Our camp missionary this year was Rev. Ralph Harrell, missionary to Kenya, East Africa. He delighted and thrilled the campers and staff with his missionary stories and inspiring messages.

At the closing service of our camp, there were 33 children who responded to the invitation, making professions of faith, rededications, and commitments of lives to serve Christ.

As a member of the camp committee and, at the last minute, heir to the position as camp director, may I express sincere appreciation to each camper and staffer for making this year's camp the success it was.

On behalf of the camp committee, we recommend that this ministry to our youth be continued and that another committee, to be chosen by the Executive Committee at its next meeting, be established to carry out plans for an associational youth camp for the Pee Dee Baptist Association in 1967.

Respectfully submitted,
Max Furr

SUNDAY SCHOOL REPORT

The Sunday School expresses the purpose and functions inherent in the nature of a church. Church members have been entrusted with the gospel. But the gospel is not to be enjoyed selfishly by the church. It is to be shared with lost persons everywhere. The Sunday School has as its major tasks to teach the Biblical revelation, reach all prospects for the church, lead all church members to worship, and learn daily. When a church establishes an organization to teach the Biblical revelation and reach all prospects with the good news of salvation, it is taking an action through which it expresses its true nature and purpose.

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In

order to achieve this goal every church must work to increase its own enrollment. This tremendous task of outreach and enlistment must be given a primary place in the growth and development of our churches.

The purpose of the Pee Dee Associational Sunday School Department is to promote the local Sunday School organizations in the local churches. Quarterly conferences are held throughout the association for the purpose of strengthening the Sunday Schools in the churches. This past year these conferences centered around the themes of Enlistment, Visitation, Church-Home relations, and Teaching Aids. The Action Night Program was held on September 11 at Calvary Baptist Church with Rev. John Hiott, Rev. Scott Turner, Jr., and Rev. Sim Smith in charge of the program presentation. Only 17 of the 35 churches were represented.

The Pee Dee Baptist Association Sunday School organization recommends the following goals for the coming year:

1. That all churches observe January Bible Study Week. The study for January, 1968 is the Gospel of Luke.
2. That all churches plan to conduct Vacation Bible School.
3. That all churches encourage their Sunday School leaders to attend our Summer assemblies for the purpose of strengthening their leadership roles.
4. That each church strive to increase its Sunday School enrollment by 3%.

VACATION BIBLE SCHOOL REPORT--1967

Vacation Bible School is a program designed to implement the Sunday School in teaching the Bible to the youth. The purpose of the Associational Vacation Bible School Superintendent is to plan and promote the VBS Leadership Training Clinics. This past year, under the leadership of Rev. Max Furr, the Pee Dee Baptist Association held two VBS clinics. One was held April 25 at Second Baptist Church, Hamlet, A second clinic was held May 8 at Cobb Memorial Baptist Church, Rockingham. These clinics were designed to prepare the Bible School faculties for their work in the local Bible schools.

We have had 18 of our churches reporting Vacation Bible Schools during the summer of 1967. We believe that more of our churches conducted Bible School but have failed tc report them.

We encourage all our churches to plan Bible Schools for the summer of 1968. And we urge these churches to send their reports in so that recognition can be given.

Respectfully submitted,
Charles Hinson, Ass'n S.S. Supt.

ASSOCIATIONAL TRAINING UNION REPORT 1966-67

Southern Baptist churches face the greatest opportunity of this decade for enlargement of their training programs. Training Union stands at the threshold of an enlarged training ministry to all church members and leaders.

We should now seize this opportunity to promote Training Union enlargement in the churches. Every conceivable effort should be made to motivate church leaders to attempt an enlarged training ministry.

An expanded program of training has been made available during the past year. The new program incorporated the three divisions of training: New Church Member Orientation, Church Member Training, and Church Leader Training.

With these three divisions of training available, church leaders can find motivation to enlargement in these following directions:

1) Enlarging their church member training division by increasing the enrolment and by adding new units as needed. Enlargement in church member training may also include study groups of a short-term or terminal nature, using alternate units of study, resource units, or other appropriate training materials.

2) Enlarging their church training program to include orientation for new church members, or to expand the present program of orientation.

3) Enlarging their church training program to include training for church leaders, or to expand the present program. A new course is now available for training leaders for the church. The course, "Leadership Training Materials," is designed to provide basic training for potential leaders, and also to give specialized training to Sunday School leaders.

The release of this new program climaxes several years of study and evaluation related to the work of the Training Union program. The new program includes the best thinking of selected groups of associational Training Union officers, associational superintendents of missions, state Training Union leaders, and Training Union leaders of the Baptist Sunday School Board.

In our own Pee Dee Association, with our Training Union enrolment down all over our association, we see new hope springing to the forefront. It is hoped that new visions and fields of service can be found through the new program of church member and leader training.

In the Association during the past year, we held two associational-wide meetings. The first one was "M" Night, held November 28, 1966, at Second Baptist Church of Hamlet. There were 19 churches represented, 12 pastors, 11 Training Union directors, with a total of 178 present. The second meeting was held on March 18, 1967, at the First Baptist Church of Ellerbe. The occasion was Youth Night. There were 23 churches represented, 16 pastors, 8 Training Union directors, with a total of 301 in attendance.

It is the prayer of all in the association that during the year ahead, all of us as church members will plan and put forth our best efforts to training ourselves in a continuous program of training so we can meet the challenges and demands of Christianity to a lost world. To this end, let us dedicate ourselves.

WOMAN'S MISSIONARY UNION

ANNUAL REPORT OCTOBER 16, 1967

It is always appropriate to reaffirm the basic purpose of Woman's Missionary Union; namely, MISSIONS. In the church, Woman's Missionary Union is one of five church program organizations, each having specific tasks, but all working together to help fulfill Christ's purpose on earth. Within the church, Woman's Missionary Union is known as a missionary educational organization, its purpose being to

promote Christian missions through a program of mission study, prayer, mission action, stewardship and missionary education of youth.

We have twenty-nine churches with Woman's Missionary Unions; thirty with some missionary organizations. From the twenty reports received as of today, twenty have Sunbeam Bands with three honor Sunbeam Bands, four advanced; seventeen have G.A. work with four honor G.A.'s and three advanced. We have twelve Y.W.A.'s with one approved organization, two advanced. There is one honor Woman's Missionary Union and three advanced. Two churches have discontinued the W.M.U.'s and one mission church has become fully organized with a Woman's Missionary Union and youth work.

During the past year regular quarterly Executive Board meetings have been held. We began our W.M.U. work last year with an associational workshop at the First Baptist Church in Hamlet with one hundred and three present.

The outstanding occasion for our Y.W.A.'s was a banquet at the First Baptist Church of Laurinburg with eighty present. Several of the girls were able to go to Ridgecrest for Y.W.A. week.

In May, an Associational G.A. Rally was held at Calvary Baptist Church, Hamlet. This occasion was very well attended. An appealing film for youth depicting a young girl's search for spiritual values was shown. Several G.A. girls attended G.A. Camp at Cashwell.

The Sunbeams had a memorable day at their Day Camp at Policemen's Lodge, Gibson, in August. They had Dr. David McLean, former missionary to the Congo, with them. Thirty Sunbeams were present.

It was encouraging to note the increased number of our leaders and W.M.U. members who attended Ridgecrest this summer and the special training workshops conducted by state W.M.U. leaders in Wilson.

Our annual meeting was held in the East Rockingham Baptist Church on April 11. Our theme was "A Learning Fellowship." Dr. Nathan Brooks of the North Carolina State Convention brought the message.

It is with a reawakened sense of excitement and challenge that we focus our main attention this coming year on the church theme, "A Church Fulfilling Its Mission Through Ministry." Woman's Missionary Union's broadened plans for the mission action phase of our organization have aroused a new enthusiasm as we face the challenges of human need in our communities.

Let us with a renewed sense of urgency remember that we are "co-laborers with God" and that the true test of faithful discipleship is found in practicing daily Jesus' words, "Inasmuch as ye have done it unto one of the least of these, my brethren, ye have done it unto me."

Respectfully submitted,
Mrs. W.B. Meares, Ass'n. President

REPORT ON BROTHERHOOD

The Associational Brotherhood has led in two Workshops this year. First on December 17, 1966, at First Baptist, Hamlet, for the church year 1966-67. We had Edwin Bullock, State Brotherhood Secretary to lead a conference for pastors and presidents; Joe Lennon, Brotherhood Director of Sandhills Association to lead a conference for Baptist Men's Officers; and Bill Jackson Associate State Brotherhood Secretary to lead a conference for R.A. Workers. There were forty-one (41) men present.

On September 25, 1967 we held the Associational Workshop for church year of 1967-68. W.C. Deaton, R.A. Leader of Sandhills Associational lead a conference for R.A. Workers. Jim Hinson, Pastor, Creedmoor Road Baptist Church, Raleigh, led a conference for Baptist Young Men's Workers. Joe Lennon, Brotherhood Director of Sandhills Association led a conference for Pastors, Presidents, and Baptist Men's Officers. We had twenty-two (22) men present. We are happy to report seventeen (17) local Units of Brotherhood in the Association, including the New Brotherhood at Skyway Baptist Church. We also have one in the planning and training process at Calvary Baptist Church. This leaves only seventeen (17) more to go.

Your new Director, Sim Smith, and the Associational Officers stand willing to help you in any way they can in your work. Let us heed the words of the hymn- "Rise up, O men of God! Have done with lesser things; Give heart and mind and soul and strength To serve the King of kings." Our God is calling for men to be men for Him in these days. We cannot fail Him.

Respectfully submitted,
Robert L. Bowen, Associational Director

REPORT ON SUMMER CAMP

The Pee Dee Baptist Summer Youth Camp was held August 21-24 of this year at Camp Monroe in Laurel Hill, North Carolina. This was the third year the camp has been a part of our Associational Ministry.

The theme for the camp was, "My Place in God's Kingdom;" and the theme song was, "I Love Thy Kingdom Lord;" and the theme Scripture verse was, "And who knows whether you have not come to the kingdom for such a time as this?" (Esther 4:14b RSV)

The Camp Curriculum was designed to minister to the whole person. All aspects of the childrens lives were touched upon - mental, social, moral, physical, emotional and spiritual.

The camping day began with a morning watch devotion led by the camp Pastor. After Breakfast and clean-up time everyone assembled for Camp Chapel at which time the missionary spoke. Then followed two periods of instruction, the first of which was a period of Bible Study. The second was a period of Christian Living Study. Just before lunch there was a swim period. The afternoons were given to relaxation, organized recreation such as softball, ping-pong, hikes, sack races, etc. and another swim period. The evenings were devoted to singing, worship, films, and features. The worship period was led by the camp Pastor. The films shown were "Teenage Loyalty," which portrayed a young girl learning that loyalty to the church is more satisfactory than to many other claims upon her life; "Summer Decision" which told the story of a young man, who almost squandered his college savings thereby putting school off a year to go on a water skiing trip to Hawaii; and the third film was a home movie taken by the camp missionary depicting the dress, custom and needs of the people of Singapore and Malaysia where he is stationed. The features were on consecutive nights-a fellowship, contest night and talent night. (These talent shows really give Ed Sullivan a run for his money.) The features closed the formal activities of each day.

There was a total of 148 campers and 20 staff members for the camp. In addition to this, we had 2 people on the instructional staff who came each day. All 168 of us exhausted the available living space of the camp. In fact one group of boys stayed in the First Aid Cabin. This is the largest number since the camp has been in

existence. For next year the Camp Committee will probably have to consider a ceiling and deadline for registration or provide two camps, one for Juniors and the other for Intermediates.

The total cost per camper this year was $15.00. Many churches paid the $2.00 tuition fee leaving the child only $13.00 to pay. 22 churches and one mission was represented at camp.

Our Camp Missionary this year was Ralph Brunson, Missionary to Singapore and Malaysia.

At the closing service of the camp several campers rededicated themselves to Christ with one young lady telling the Camp Pastor of her desire for a church related vocation.

May I take this public opportunity to commend to you a camp staff that did a splendid job and express appreciation not only to the staff but the campers as well.

It is recommended that this ministry to our youth be continued and that another camp committee, to be chosen by the Executive Committee at its next meeting, be established to carry out plans for an Associational Youth Camp for the Pee Dee Baptist Association in 1968.

Respectfully submitted,
Alton A. Coble

ANNUITY BOARD
1966 ASSOCIATIONAL REPORT

THE NEW SOUTHERN BAPTIST PROTECTION PROGRAM

Response to the new program of family and retirement protection during the first quarter of 1967 indicates enthusiastic acceptance by ministers and denominational employees. During the first three months of 1967, more than 1,000 persons joined some part of the three-plan program as compared with only 685 during the first quarter of 1966.

The new Program, called the Southern Baptist Protection Program, provides additional benefits for disability, new benefits for children, education of children and dependent parent. These extra benefits are in Plan "A."

The new Protection Program incorporates the three plans into one certificate, which formerly required separate certificates for each plan. The three plans are: Southern Baptist Protection Plan, which is now Plan "A"; Age Security Plan, now called Plan "B"; and Variable Benefit Plan, now Plan "C".

Information on the new Protection Program may be obtained from the annuity secretary in our state or from the Development Division, Annuity Board of the Southern Baptist Convention, 511 North Akard Building, Dallas, Texas 75201.

ANNUITANTS RECEIVE DIVIDEND CHECK

Because of action taken by the trustees of the Annuity Board in February, each person receiving a guaranteed benefit from the Board was mailed a "dividend" check. This year each check was for an amount equal to one-twelfth of the person's annual benefit. These checks were made possible because of excess interest earnings. Approval was given to mail these dividend checks annually, providing the Board realizes an excess in interest earnings.

BENEFITS PAID OUT

In 1966, more than $4,256,244 was paid in age retirement, disability or widow benefits to persons who had participated in the Protection Program. The checks vary in amounts, depending on the length of service and the amount of dues paid into the Program by the member.

10 PER CENT TOTAL SALARY ENCOURAGED

The cost of living continues to climb. A retirement program based on $4,000 salary is no longer adequate to meet the needs of a minister when he retires. There seems to be no hope of a leveling off of the inflationary trends. Because of this, the new Protection Program was started so churches could help their pastors increase their retirement protection. Now a church may participate on the total salary of its pastor or other employees. Ten per cent dues on total salary are recommended as minimum.

MEMBERS IN ANNUITY BOARD PLANS

As of December 31, 1966, some 1,492 persons had joined Plan "A" of the Program. A total of 18,328 churches were providing the Protection Program for their ministers and staff members. Almost 12,600 of these churches were paying both member and church dues.

In many churches more than one person is in the Program. Each person is counted separately as in his church. As a result, the total number of churches is higher. Next year, the total number of churches is expected to be less. The reason is the Board is putting all its records on computer which will group together all members in one church. For example, if a church has two members, it will be counted as one church instead of two as is presently being done.

There are 137 of the 176 agencies in the state conventions and the Southern Baptist Convention which have Protection Programs with the Board. A total of 8,121 persons are protected in the agency programs.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27603, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

REPORT OF THE AMERICAN BIBLE SOCIETY

The American Bible Society is a worldwide missionary organization. It is an active partner in Southern Baptist Work. It helps missionaries translate the Bible. It publishes the Scriptures without note or comment and distributes them without profit, usually below cost, and often without any charge in cases of special need.

The American Bible Society shares the concern for worldwide missions which Southern Baptists are expressing in plans for the Crusade of the Americas and World Missions Year in 1969. The entire program of the Bible Society work is founded upon these basic missionary principles.

People must have the Bible because it presents the only hope of men and nations in the person of Jesus Christ.

Each person must have the Bible in his own language because it speaks to the

heart as no other language can speak.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay after he must leave -- and keep on speaking to the person's heart.

During 1966 the American Bible Society rejoiced that some part of the Bible has been published in 1280 languages; the full Bible in 240, a Testament in 301 more, A Gospel or other complete book in 739 more-but still there are more than 1000 more languages in which not one book of the Bible has ever been published.

The Society gave more than 500,000 Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and the men in service.

The Society produced, in several languages, Scriptures in everyday speech, printed in attractive forms. Outstanding among these is "Good News for Modern Man," the Today's English Version New Testament, translated by the Society's translation department. Published September 15, 1966, at least 5 million copies are expected to be distributed by the close of 1967.

The Society set records by distributing 39,981,621 Scripture volumes in the U.S.A. and a total of 61,815,238 volumes, in over 400 languages, in some 150 countries around the world.

Southern Baptists support the work because The Bible Society serves mission work-and Southern Baptist missionaries depend on the Society for Scriptures they need for their people. In 1966 Southern Baptist Churches gave $233,896 to the American Bible Society and ranked first among all denominations. Gifts from all churches in the U.S.A. totaled $1,472,307.

The help of every Southern Baptist church is needed. Has your church given this year? Here are suggestions based on what other churches are now doing. Every church can give these amounts each year: Smaller churches..... $10.00 to $60.00
Larger churches..... $60.00 to $300.00
Great City churches ... $300.00 to $600.00 or more.

Please send your gifts to your Baptist State office marked "for the American Bible Society."

Baxter Prevatte, Jr.

HOME MISSION BOARD REPORT

Arthur B. Rutledge, Executive Secretary-Treasurer, Home Mission Board has said, "The United States is the most influential nation in the world. It is the nation whose churches provide the major thrust for the spread of the gospel worldwide. Amazing advances in communication provide unparalleled opportunities for sharing the gospel, but they also channel to the world information regarding our spiritual and moral weaknesses. In such a situation every effort to Christianize the United States takes on global dimensions."

A missionary force of over 2,100 assist Southern Baptists in their efforts to bring men to God through Jesus Christ in a period characterized by national and international tensions, growing population, moral problems and mounting social changes.

To cope with the changes the agency has continued to experiment with and to search for relevant methods in missions, such as those to be used in resort com-

munities, industrial situations, juvenile delinquency, and high-rise apartments. Studies continued in transitional areas, with downtown churches and with ministries to ex-prisoners.

Record support came during the year through the Cooperative Program ($4.7 million) and the Annie Armstrong Offering ($4 million). The goal for the Annie Armstrong Offering was reached for the first time since 1961.

Some pressing needs remain unmet in missionary appointments; 70 Spanish missionaries, 8 Italian, 18 Slavic, 14 Indian, 25 US-2, 25 other languages groups, 9 couples and 11 single women for Baptist centers and weekday ministries, and 1 couple for migrant missions.

Viet-Nam Military Forces were served by one hundred of the 849 Southern Baptist military chaplains serving on active duty. Strengthened efforts have also been made for ministries by chaplains with the hospitals, institutions, and in industry, and with churches in meeting the needs of military personnel near them or from their membership who are away on active duty.

Financial assistance went to 270 churches for loans totaling more than $4.5 million. The funds of the Church Loans Division now total more than $17.5 million, and the agency seeks new methods of guaranteed loans that will multiply these funds.

Changes in attitudes among Southern Baptists toward the race problem and co-operation with National Baptists are slowly beginning to emerge -- more open discussion, more involvement, and a seeking after better relationships are reported by the Department of Work with National Baptists.

In Christian social ministries there has come a new awareness among Southern Baptists of the necessity to minister to all the needs of man; especially has this been noticed in the interest in weekday ministries. A research project is being conducted to discover how the church can make its message and ministry relevant to young people who are considered pre-delinquents or delinquents.

At this point in human history Home Missions must be a major concern of Southern Baptists.

Thomas A. Ritter

FOREIGN MISSIONS REPORT

On May 1st, 1967 there were Southern Baptist missionaries under appointment to 65 countries or political entities (Argentina, Austria, Bahamas, Bermuda, Botswana, Brazil, Chile, Colombia, Costa Rica, Dominican Republic, Ecuador, Ethiopa, France, French, West Indies, Gaza, Germany, Ghana, Guam, Guatemala, Guyana, Honduras, Hong Kong, Iceland, India, Indonesia, Israel, Italy, Ivory Coast, Jamaica, Japan, Jordan, Kenya, Korea, Lebanon, Liberia, Libya, Luxembourg, Macao, Malawi, Malaysia, Mexico, Morocco, Nigeria, Okinawa, Pakistan, Paraguay, Peru, Philippines, Portugal, Rhodesia, Singapore, Spain, Switzerland (Baptist Center), Taiwan, Tanzania, Thailand, Togo, Trinidad, Uganda, Uruguay, Venezuela, Vietnam, Yemen, and Zambia). During 1966 a couple took up residence in Ivory Coast, and a couple was appointed for Morocco. Missionaries, appointed in early 1967, are awaiting permission to enter Ethiopia and Botswana.

MISSIONARY SUPPORT

At the close of 1966 the Southern Baptist Foreign Mission Board had an overseas

missionary staff of 2,208. This included 65 missionary associates, 7 special project nurses, and 92 missionary journeymen. Appointments during the year totaled 207 (131 career, 20 associates, 48 journeymen, 3 special project medical persons, and 5 reappointed). Between January and May, 1967, 45 more were added.

Many missionary personnel needs are still unmet. Preachers and medical people continue to be most urgently requested. Also there are calls for those trained in teaching (seminary), business, agriculture, radio and TV, journalism, and student work.

EVANGELISM AND CHURCH DEVELOPMENT

The leading of people to new life in Jesus Christ is the ultimate purpose underlying all our missionary endeavors. Years of foreign mission labor have taught us that the cultivation of New Testament churches is the wisest investment of missionary resources. At the year's end there were 4,707 churches (3,076 self-supporting), 6,542 mission points, and 3,904 national pastors related to our Southern Baptist work. These reported 51,680 baptisms, 528,958 church members, and 604,487 enrolled in Sunday School. China, closed to missionaries at present, was last estimated as having 392 churches and 123,000 members related to our mission work.

Evangelistic campaigns were held in 10 Latin-American countries and in Ghana and Japan.

Baptist radio and television efforts were strengthened in all areas and particularly in the Orient.

SCHOOLS AND STUDENT WORK

The 1,181 schools related to our Missions in 41 countries had an enrolment of 185,050 students with a staff of 6,256 national and 387 missionary teachers and administrators. Among the schools are 43 theological institutions with 1,559 students and 6 women's training schools with 603 enrolled.

PUBLICATION WORK

Book stores and reading rooms on our mission fields are confronting hundreds with the Christian message. Literature in the language of the people has become increasingly important for evangelism, leadership training, and Christian education.

Our 23 publication centers overseas and at El Paso, Texas, (Spanish) produced over 21 million pieces: tracts, books, periodicals, Bibles, hymn books. Staffing these centers were 68 missionaries and 530 nationals.

A significant event in 1966 was the opening in Barcelonia of the first Baptist Book store ever to operate in Spain.

THE COMMISSION, foreign missions journal of the Board, reported an average circulation of 95,192 in 1966.

HOSPITALS AND MEDICAL CARE

Medical mission institutions include 20 hospitals and 56 clinics and dispensaries, with a total of 1,391 beds. In 1966 there were 102 national and 62 missionary physicians serving with 312 national and 60 missionary nurses. They treated 589,055 patients. Engaged additionally in the medical ministry were 870 nationals and 40 missionaries.

An obstetrical wing was added to the Baptist Hospital in Gaza; construction began

on the new Wallace Memorial Hospital building in Pusan, Korea; and the Japan Baptist Hospital dedicated its new school of nursing building. Clinics opened in El Porvenir, Ecuador, and also in Jibla. Yemen.

BENEVOLENT MINISTRIES

To meet special relief needs, the Foreign Mission Board provided funds for the assistance of victims of earthquakes, typhoons, floods, and famines. Some of the urgent needs of refugees in several countries were met with the aid of these funds.

Nineteen good will and community centers in 11 countries reach people in varied ways: literacy classes, homemaking courses, Bible study clubs, and evangelistic services. Staffed by 25 missionaries and 104 nationals, these centers enrolled 7,959 children and adults. In 13 children's homes, 4 missionaries and 99 national workers cared for 793 boys and girls.

CONTRIBUTIONS

Total contributions of Southern Baptists for foreign missions amounted to $27,047,200 as 1966 closed (an increase of $2,063,276 over 1965). The 1966 Lottie Moon Christmas offering had reached a total of $13,760,146.80 by May 1, 1967.

As Southern Baptist churches of our Pee Dee Baptist Association of North Carolina, we are urged to hear and heed the call of the Macedonian as he says: "Come over into Macedonia and help us (Acts 16:9)."

The fields are today more whiter than ever before. The Foreign Mission Board and our dedicated missionaries to the 65 countries or political entities with an overseas missionary staff of 2,208 are doing their part. Are we doing ours?

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC., 1967

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important than helping a child to grow into healthy, well-adjusted, responsible citizenship. At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of inborn, God given talents of our children.

This agency offers a variety of quality services to the children of families who have not been able to continue a satisfactory pattern of living together. A total of 33 cottages on five campuses provide group care of different kinds. There are two residences for emotionally disturbed children, convenient to a great medical center where psychiatric services are available. This fall, for the first time, a single cottage at Wallburg is being opened for the rehabilitation of boys.

In addition to group homes, the needs of many children are met through the use of Foster Homes. A growing interest in this phase of our work is encouraging. Many families are finding happiness and opportunity for service in caring for foster children. Thus, many boys and girls, who otherwise would not have this opportunity, are privileged to grow up in Christian homes. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

Regional case work centers, staffed by trained social workers, are located in

six prominent areas of the State and add to the ability of the Homes to offer counseling services to distressed families and to those for whom family rehabilitation has been achieved.

In June of 1967 the first of the new family living cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. This building was provided by Mr. and Mrs. William M. York of Greensboro, and is named the York Cottage. It is a model for the family living approach in group child care. A similar cottage is already under construction at Mills Home and two buildings of this type are now being built on the Kennedy Home campus.

The Child Development Center on the Mills Home Campus was established to serve the local community as a means of strengthening family life and to provide a demonstration and informational program which can offer assistance to churches in beginning any phase of weekday care and education for preschool children. During the 1967-68 session the Center will serve 70 children and their families in two kindergarten groups and nursery school groups, with about 35 children in full day care. The staff is providing consultation services upon request to churches interested in the program.

Members of the Board of Trustees and the Staff of the Children's Homes are committed to the task of maintaining a Christian Program of Child Care - a program that will merit the undivided support and loyalty of our people and that will bring favor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

REPORT ON CHRISTIAN HIGHER EDUCATION

As of October 1, 1966, there were enrolled in the North Carolina Baptist colleges 11,347 students. This represents approximately the same number enrolled last year. Limited facilities, both in housing and in instruction, have made it necessary to turn away many qualified students. Enrolments are as follows: Campbell, 2,267; Chowan, 1,234; Gardner-Webb, 1,262; Mars Hill, 1,371; Meredith, 930; Wake Forest University, 3,022; and Wingate, 1,561.

The Baptist State Convention of North Carolina supports a unique program of Christian higher education. There are three senior colleges: Campbell, Buie's Creek; Mars Hill, Mars Hill; and Meredith, Raleigh; Wake Forest University, Winston-Salem; and three junior colleges: Chowan, Murfreesboro; Gardner-Webb, Boiling Springs; and Wingate, Wingate.

The Baptist colleges in North Carolina and elsewhere in the Southern Baptist Convention continue to train the vast majority of the church vocational workers. Currently, there is the same concern in our colleges that is being expressed throughout our Convention about the decline in the number of young people answering the call to full-time Christian service. The Christian colleges, through the Council, are currently seeking ways and means of cooperating more fully with local churches in an effort to reverse this trend.

However, the Christian college is not solely in the business of training full-time Christian workers, for the vast majority of students attending a Baptist college will return to their communities as laymen. Sometimes we tend to overlook the vital contribution of lay-leadership trained in our Christian colleges. These men

and women returned to their communities not only to assume responsibilities in the local church, but to bear a Christian witness through their professions in the communities where they work.

The Baptist colleges in North Carolina continue to be grateful to the Cooperative Program and its vital financial support. For the year 1967, $1,578,960 has been budgeted. Of this amount, Campbell College is to receive $258,634; Chowan, $154,870; Gardner-Webb, $147,127; Mars Hill, $223,014; Meredith $223,014; Wake Forest, $379,432; Wingate, $162,614; and Council expense $30,255.

Dr. Harold W. Tribble, president of Wake Forest University, and Dr. Leslie H. Campbell, president of Campbell College, retired at the end of the school term this year. The contribution of these two men to Christian higher education has been appropriately recognized by the colleges, alumni, friends, Council, and by the Baptist State Convention

Two excellent Christian laymen, both of whom are ordained deacons, have been elected to head Campbell College and Wake Forest University. Both of these men are eminently qualified to serve as presidents of these institutions. Dr. Norman A. Wiggins, formerly professor of Law at Wake Forest College, took the reins at Campbell College on June 1. Dr. Ralph Scales, formerly president of Oklahoma Baptist University, and more recently academic dean of the Colleges of Arts and Sciences, University of Oklahoma, assumed his duties as president of Wake Forest University on July 1.

A dream of many years was realized by Wake Forest College and the Baptist State Convention, when on June 12, 1967, Wake Forest College officially became Wake Forest University. Wake Forest University, in addition to law and medicine, is now offering the master's degree and doctor's degree in several areas. Baptist undergraduate colleges throughout the Convention are rejoicing in the prospect of being able to turn to Wake Forest University for much needed teachers with graduate degrees.

The colleges are grateful for the unusual response this year in order for Christian Education Day materials. It was necessary to have a second printing of some 30,000 pieces of material in order to fill all the requests. In 1966, the Christian Education Day offering was $132,046, and we are in hopes that there will be an increase this year. The materials this year were built around the need for challenging more young people, both in the churches and on the college campuses, to consider a church vocation.

The North Carolina Baptist colleges have cooperated fully in the recent Convention-wide study of Christian higher education, sponsored by the Education Commission and the executive committee of the Southern Baptist Convention. The results of this study, dealing with nine major areas of concern, will be published before the first of the year. These include: Biblical basis for Christian higher education; the history of Southern Baptist higher education; preface to a philosophy of Southern Baptist higher education -- faith and learning; academic scope of Christian higher education; religious scope of Christian higher education; the Christian college teacher; financing Christian higher education; college-denominational relationships; and academic freedom and responsibility.

In order to share this material fully with the pastors and churches in North Carolina, seven seminars will be conducted in the spring of 1968, one on each college campus. Pastors and laymen are urged now to attend one of these meetings. In addition to this, local churches throughout the state will be urged to set aside a number of Sunday evenings for a study of Christian higher education, similar to the pilot studies conducted in many churches during the past year in the BEST program.

The Council on Christian Higher Education continues to serve as a coordinating agency of the Baptist colleges and the Baptist State Convention. Special material is available in the Council office concerning all of our Baptist colleges, and is available to churches and individuals upon request. This material may be obtained by writing the Council on Christian Higher Education, 301 Hillsboro Street, Raleigh, N.C. 26703.

The Council office also cooperates with local churches, pastors' conferences, and associational meetings in furnishing speakers on Christian higher education. Visitors from local churches are always welcome in the Council office.

At the Southern Baptist level, this is, considering all Baptist Schools Convention wide, an alarming trend is noted. Reports from the seminaries, colleges and schools show that ministerial students declined 235 for the year. There was a loss of 130 in the reports of home and foreign mission volunteers, a loss of 101 in ministers of education, and a gain of 32 in church music, or a loss of 434 in the three areas. One thousand one hundred and eight were reported as considering a church-related vocation. Because of some change in the method of reporting this year it is possible that the figure of 1,108 listed as considering a church-related vocation includes some of the losses in the specific vocations listed. Following are the figures:

1965-66

	Ministerial Students	Home and Foreign Mission Volunteers	Church Education Volunteers	Church Music Volunteers

THE REPORT OF THE BAPTIST HOSPITAL

In this day of rapid change in almost every area of our lives, there are few places in which change has been more rapid than in the field of medicine. In the last twenty-five years we have witnessed in medical care a transformation as dra-

matic as in almost any other area of life.

This period parallels the period of development of our Baptist Medical Center in Winston-Salem. This began in 1941, when our Hospital and our Medical School were joined to form the first and only such Baptist combination. Today it stands as one of the very fine medical centers of our country, reflecting the vast progress which has come in the field of medical centers of our country, reflecting the vast progress which has come in the field of medical care. All indications are that this progress will continue at an ever growing rate.

It is a day of increasing specialization, with men and women highly trained and dedicated in their special fields of medicine. It is a day of expanding research in medicine, as in industry, agriculture and business.

Many of the fruits of this work seem almost like modern miracles. There are new means of diagnosing our ills, such as the brain scan and the use of sound waves. New drugs are being developed almost daily for combatting disease, including antiobiotics and new chemicals. There are new techniques in treating our ills, as in heart surgery, inhalation therapy, and replacing of organs of the body. There are new instruments to perform these miracles, as the cobalt machine, the heart-lung pump, the pacemaker for the heart, the laser beam in surgery. There are new facilities for better care of the patient, such as the intensive care unit and the progressive or minimal care unit.

There has developed a new concept in medicine in recognizing the patient as a person, and not just as a virus or a broken bone. He is now treated as a whole person, including his emotional and spiritual needs as well as his physical problems. Psychiatry has developed, spiritual therapy is an important factor, and pastoral care is a part of the total care of the sick.

Such important progress necessarily means greatly increased cost in medical care. But the high cost is more than offset by service which gives us better health, more relief from suffering and handicaps, and added years to life.

This is not the work of an institution alone - it is a cooperative enterprise. It is a ministry in which we as churches and individual Christians join hands with those who serve in our Medical Center. If this service is made available to all our people who need it, we of necessity have to provide much of the means, for there are many who cannot pay for it. This is a wonderful opportunity when we by simply giving our money can share in so important a service to our brother in need - and even hear a "well done," for "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

NORTH CAROLINA BAPTIST HOMES FOR THE AGING
1967 ASSOCIATIONAL REPORT

Your North Carolina Baptist Homes for the Aging have been on the move during the past year. In fact, we will be ready to move into our new Home at Yanceyville in September and will be able to receive 30 more dear old people into the family of our Homes. When the Yanceyville Home, our fifth, is occupied, we will have a total of 200 deserving older men and women in our care in all of the Homes.

As you know, we now have four Homes and an Infirmary in operation. Resthaven and the Hayes Home in Winston-Salem; the Albemarle Home at Albemarle; the Hamilton Home at Hamilton.

In these Homes you have an eternal investment and can rejoice in the loving

care which you are making possible for our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the support of our residents - the Special Day Offering, received on the 3rd Sunday of February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 is at an all-time high and has increased by 10% over last year. This is most commendable, but when we face the reality of costs, which have advanced by 20%, and the maintenance of a new Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from our Baptist people continue to increase in proportion to our needs.

We wish to thank all of our Baptist people across the State who are enabling us to minister to the aging in Christ's Name, and we want all of you to know that each of your 5 Homes exists for the people from all over our great State. We could not operate without your love, your prayers, your concern, and your financial support.

In the midst of our joys have been our sorrows. Our oldest resident, Aunt Fannie Drumwright, passed away in June, just short of her 106th birthday. She came to live with us at the age of 93, and the 13 years of her presence with us have been a shining example of the special significance of a Christian ministry to older people. The compassionate nursing care alone which this little lady received is reason enough to thank God for the people called Baptists, whose vision and concern for mankind have included the aging in answering the Master's call in the service of the Lord.

1967 REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATIONS

Does your church have a definite plan for getting information on the Baptist world wide mission effort to your church members?

Is there any definite plan to acquaint the membership with Baptist doctrine and polity?

Do your members have any way of knowing what other churches are doing and what is being done through cooperative efforts?

Is there any systematic plan for placing good Christian literature in the homes?

Do your deacons and church officers have a regular source of information as they help shape the policies of your church?

Is there a planned way to get accurate information and helpful suggestions to your church leaders?

The simplest and most economical way to get ALL this information into the homes of your members is through the BIBLICAL RECORDER. Under the Church Budget Plan, this can be done for only 4¢ a week.

Consider just one thing the RECORDER did this year: In reporting accurately and courageously the doings of the General Assembly in Raleigh, the RECORDER performed a significant service for Baptists, as well as other denominations. A number of daily newspapers, including the CHARLOTTE OBSERVER, credited the RECORDER with being a major factor in the defeat of a liquor by the drink bill. But we cannot sit back and relax. Supporters of liquor by the drink have warned

that they will be back to push their cause in the 1969 General Assembly. The RECORDER will be there to keep you posted and to urge you to act.

As another example of service to its readers, the RECORDER is continuing to run both Sunday school lessons -- the Uniform Lessons and the Life and Work Curriculum Lessons. Outstanding writers have been secured to do theses lessons.

In addition to the weekly ministry in nearly 89,000 homes, the RECORDER editor now writes a weekly religious newscast which is heard on more than 75 stations throughout the state. The Radio-Television Commission produces and distributes the program. This is another opportunity to spread the good news of the Gospel.

Nothing else can take the place of the BIBLICAL RECORDER in Baptist life. If you doubt this, try it in your church.

Phillip Tillman

REPORT OF THE NORTH CAROLINA BAPTIST FOUNDATION, INCORPORATED

We all rejoice, I am sure, in knowing that Mr. Gordon Maddry, the Executive Director of the North Carolina Baptist Foundation, is making splendid recovery from a serious illness. At his request, I am pleased to bring the report on behalf of the North Carolina Baptist Foundation, Inc.

The word "Foundation" means so much to so many people. You frequently read of large grants for various programs made by the Ford Foundation. You read with appreciation about the Duke Foundation, which has contributed millions of dollars for Hospital Care and support in the two Carolinas. We Baptists in North Carolina will, for all time, be increasingly grateful for the very large grants made by Z. Zachery Smith Foundation in Winston-Salem, especially the grants to Wake Forest University, the Bowman Gray School of Medicine, our Baptist Hospital and several of our Baptist Colleges.

These "Foundations" have been created and established because of the desire of men and women of wealth to set aside large sums of money to be placed in the hands of experienced men and women to administer to extend not only educational opportunities, but to play a key role in human welfare.

Equally important is the North Carolina Baptist Foundation, Inc., which was authorized by our Convention on November 12, 1919. It has been in continuous operation since 1919. The Baptist Foundation does not make grants but administers funds entrusted to the Foundation.

The Baptist State Convention elects the Board of Directors, and these Directors, who are capable business leaders, meet periodically in the office of Mr. Maddry in Raleigh to formulate the policies and give guidance in the direction and the work of the Foundation.

You may ask, "How can the Baptist Foundation serve me? Who, in fact does the Baptist Foundation really serve?" It can serve you, your friends and your church. It can and does serve our Baptist Schools and other institutions and agencies in our Convention. Let me answer the question, "How can the Baptist Foundation serve me and my church?," by asking you a personal question. Your response will assist in pointing out what I consider to be a very serious neglect on the part of so many of our citizens.

My question is, "Would each of you who has written his or her last Will lift your hand?"

This very small percentage of the persons present illustrates the point. In any similar group there would be approximately the same small percentage of individuals who have made their Wills. This reflects a SERIOUS NEGLECT on your part. By not writing your Will, you are not looking after your own family in rendering the proper stewardship of your estate.

In my profession of the law, I have come to this conclusion - most ministers, the average layman and a great many businessmen and professional men spend the greater part of their lives accumulating an estate, but they do not give half a day or ever a few hours to study how they may preserve and project their estate beyond their lifetime. I remember when I first talked to my wife about writing my Will. Her immediate reaction was, "Why do you want to write your Will? You're not going to die." I explained to her that one did not write his or her Will, expecting to die, but that it was simply good business.

I have witnessed a number of tragedies because of the failure on the part of a husband to write his Will. One case comes to mind where a husband died. There were no children. He had not made a Will. The husband was survived by several brothers and sisters. The surviving wife did not have complete title to the home where she had resided for many years. I tried to assist her in securing a Quit Claim Deed from the brothers and sisters of the deceased husband. One person absolutely refused to sign. This wife does not, today, have good title to her home.

Presently, I am assisting a widow whose sister, a widow, died some months ago. When the sister died, I suggested that they look and see if they could find a Will because the deceased sister had no children. She was survived by several nieces and nephews. Finally, an old Will was discovered, which willed the residence and a large savings to the surviving and needy sister. If this Will had not been found, the greater portion of this estate would have gone to nieces and nephews who actually did not need any of the estate.

I could spend an hour, describing the heartaches and the serious events that have followed the failure on the part of intelligent persons in declining, delaying and refusing to write his Will. What I say about a man applies equally to a woman.

I say to you IN ALL SERIOUSNESS, if you have not written your Will that you seek out your attorney and get your house in order. The North Carolina Baptist Foundation is in a position to give you counsel if you so desire. The Baptist Foundation can serve as the agency to administer any gift that you wish to make to an agency of our convention or even to your loved ones.

This bequest can be made in trust to the Baptist Foundation and the total amount will not be disbursed to the agency of the Convention or to your loved ones until your demise. During your lifetime you will draw a larger rate of interest return than you would, in my opinion, if you attempted to invest your funds yourself.

What practical steps can you take? It certainly is within the ethics of the legal profession to provide for a Legal Clinic in your church. Any Baptist church can secure the service of one or more lawyers to lead a discussion. Invite them to be present, along with key members of your church and discuss frankly what would be in the best interest of one's estate. The Baptist Foundation would be pleased to join in such a clinic with a responsible person, discussing more in detail what I present today.

Your estate may be large or small, but what you have accumulated has been made possible through sacrifice. I recall the sacrifices of a very dear lady in our church. Prior to her death, there was a long costly extensive illness. Yet, there

was a provision in her Will, which gave to the church a sum of money in honor of her father and mother. I would urge that you think about a legal clinic to be held in your church. Advise with Mr. Maddry of the Baptist Foundation and get the program projected on a sound basis.

You have in your church key businessmen and women of means, but very few are giving much thought on what would happen to their estate in the event of death.

At this point, I address these remarks to the women who are present and those who may read this report, and I invite you men to pay very careful attention.

Today, women own 70% of the privately owned wealth in the United States. They own and control 60% of all savings accounts. They own 40% of the nation's homes. The women of this country dominate 80% of the nation's buying power, and they own at least half of the stocks and bonds of our large corporations. What is happening to the men?

Take a trip or a visit to some eating establishment, and the chances are that you may see five or six mature ladies, well dressed, without any men folk, coming in for dinner. They are traveling. Have you ever thought where the men were? I can tell you. The husbands have answered the last roll call. They burned themselves out, and these ladies are part of the 70% of the people who now control the wealth of the United States. The point is, SLOW DOWN AND LIVE.

One other serious point that I would direct to your attention. There is a serious automobile accident. The father and mother are both killed. There are minor children. The father and mother have never written a Will. They have not given a single thought on who they would like to serve as guardian of their children. They have made no provisions where the children should live, what would happen to the home place, who would look after the personal health needs and the educational opportunities of the children. A Will will come in to project the lives of the husband and wife beyond death and intelligently take care of the interest of their minor children.

I am reminded of a recent decision of the North Carolina Supreme Court. The surviving wife, with a large estate, wanted to delay making a large distribution to the children when they became 21 years of age, believing that the shares going to the children at 21 years of age would be dissipated. She wanted the Executor and Trustee to hold until the child was 25 years of age. The Court declined to amend the Will. A properly drawn Will can control the age when a distribution can be made.

There are so many ramifications to this subject, I beg of you that if you really believe in stewardship, to night, tomorrow, go apart in your study, in the privacy of your home, prayerfully advise with your wife, place down on paper where you stand and begin to work on the drafting of your Will. What you need to do, scores and scores of the members of your church need to do likewise.

Unless you have written your own Will, you are not a very good prospect to think about projecting a legal clinic for your church membership. I underscore again this statement - I am not trying to promote any legal services for myself or any other lawyer. What I have said is recorded in scores of pamphlets that are available - some of which are available through the Baptist Foundation.

What I am urging is to project your Christian stewardship beyond the last roll call.

The Executive Director of our Baptist Foundation in his report to our 1966 Winston-Salem Convention said, "Again, we cannot over-emphasize the fact that the Baptist Foundation will rise or fall largely upon the interest of the Baptist pastors in North Carolina."

I look upon this report as a clinical analysis of your own personal needs as a minister, as well as the needs of the members of your congregation. It's rather

tragic to me to see ministers reaching middle age and beyond and the problems they face, not only with reference to their future ministry, but their own personal needs, which they keep to themselves. This is wrong, and a Church Legal Clinic would help to get to the root to some of these problems. I recall as a young lawyer fresh out of law school, attending a meeting of our association at Wagram. A minister was pleading with the ministers to join the retirement system. He compared the young minister and the young lawyer. He said that most churches were seeking the younger minister; that the young minister's best years were usually his early years. As he reached the plateau of life, things didn't look so rosey, and his curve began to go down. This speaker went on to say on the other hand, "If the young lawyer can go through the early starvation period, if he lives to be 100, can get to his office, even in a rolling chair, and with a good secretary, he can carry on just about as much work as he did at 50 or 60 years of age."

I don't think that I need to elaborate on the moral of this illustration. Time is short, my friend, for all of us to get our house in order, spiritually and materially.

SUGGESTED COOPERATIVE PROGRAM REPORT FOR ANNUAL ASSOCIATIONAL MEETINGS 1967

Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925 many do not know what this plan is. The question -- What is the Cooperative Program? -- is often heard.

The answer is simple. What the budget is to the local church the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad -- it's preaching the gospel -- it's healing in the name of Jesus through hospitals and clinics everywhere -- it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program we enter into partnership with God and one another in obedience to the command, "Go... preach... teach... !"

Let us resolve to pray earnestly for all Kingdom work and support our prayers with sacrificial giving of self and substance.

Last year North Carolina Baptists gave $5,787,311 through the Cooperative Program. Supplementing this with Special Offerings amounting to $2,897,639, we had a total of $8,684,950 for all mission causes! Two associations (Anson and Yates) had 100% of their churches giving through the Cooperative Program.

RECOMMENDATIONS

We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.
(2) That special emphasis be given to prayer for Cooperative Program causes during October.
(3) That each church give regularly through the Cooperative Program.
(4) That in response to the special call of the General Board of the Baptist State Convention we increase our Cooperative Program giving by at least 10% during during the coming year.

CHRISTIAN ACTION LEAGUE REPORT

Possibly nothing else in our social structure is more discouraging than the matter of beverage alcohol and the fact that we have definitely been losing the battle, slowly but surely, for the past thirty-five years. Christians who are dedicated to the task of evangelizing the world cannot take lightly the fact that the use of intoxicants is the most deadly evil in society, and yet, surprisingly, the legal manufacture, sale, and use of beverage alcohol is defended by a majority who are called Christian.

The North Carolina Baptist State Convention, in cooperation with other denominations, is waging a fight against the use of intoxicants through the "Christian Action League of North Carolina, Inc."

The Director of the Christian Action League, Rev. D. P. McFarland, writes, "In spite of everything that we could do, the 1967 General Assembly must be labelled a "wet" Assembly. This is true largely because of the passage of the "Brown-Bagging" Bill." During the brief period when brown-bagging was declared illegal the highway accident and fatality rate dropped, but already, since the action of the Legislature was taken, the fatality rate has been accelerated sharply. Mr. McFarland says, "We must be ready two years from now to make some changes in this law, and you must elect Senators and Representatives from your counties and districts who will be will to make these changes for the better.

"Our greatest victory in the Legislature was the defeat of Liquor-By-The-Drink. This bill was introduced by Senator Herman Moore of Mecklenberg and was espoused highly by many of the "wets" (including our own Voit Gilmore). In spite of the strength of forces behind this bill it died in committee and there were many willing pallbearers. We must point out the fact that this bill will be back in the 1969 General Assembly and its outcome will be decided by the men whom you elect to represent you in the 1969 Session. I plead with you to give some careful consideration now to the matter of those who will be elected from your area.

"Another victory was the defeat of the bill which would have allowed towns of 1,000 population to call for an A.B.C. vote on petition of 25% of the voters. This bill passed the Senate,... but was defeated in the House....

"There is another vital phase of the work of the League: the 'Alcohol Education Program,' with speakers appearing in schools, churches, and other organizations." In a pilot experiment in Madison County and Vance County, pupils in public schools made a study of beverage alcohol, using the book, "Fundamental Facts Concerning Beverage Alcohol."

Let the churches of the Pee Dee Association support the work of the Christian Action League and, within the churches and within the local communities, do everything possible to combat the evil of beverage alcohol. Especially in the field of alcohol education our work is only beginning. We may lose more legal battles, but we can be used of God to save lives and families from destruction.

Respectfully submitted,
G. Carl Lewis

EVANGELISM COMMITTEE REPORT

This past year the churches of our association baptized 190 persons, 7 less than last year. This represents a ratio of one baptism for every 39 members. We are grateful to God for every person who has been brought to confess Jesus Christ as Lord. We call upon our churches to give themselves to the work that brought Christ from heaven to earth, evangelism. Evangelism is the heart of our churches' existence. Evangelism must be a two-pronged thrust. We must publicly proclaim

that Gospel, that is the power of God unto salvation, and we must personally win others to Christ. "Every Christian, a Witness" must be more than a slogan, it must be a reality in our lives.

Our churches face a tremendous evangelistic challenge in the Crusade of the Americas. This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-'69 and '70. Our churches have been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER: Two days of prayer, January 14, 1968 and January 12, 1969; PACT: A program of "Prayer partners" with individuals, groups, and churches on the "Other Americas" initiated in July-August 1968; Watch Night Prayer Service December 31, 1968.

ASSOCIATIONAL EVANGELISM CLINIC - February 12, 1968.

NATION-WIDE SEARCH FOR PROSPECTS: May-June-July-August 1968

NATION-WIDE VISITATION WITNESSING: September-November 1968

NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: Pee Dee Dates, March 16-30; April 6-20; April 27-May 11, 1969

NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION: Following the Crusade of the Americas Revivals. Study of book "Daring Discipleship" and launch new member orientation.

SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY: January 1-December 31, 1970

Adequate guidance material for cooperation with and in preparation for the Crusade of the Americas is provided for us in the 1967-68 EVANGELISM PLAN BOOK already available to us and in the 1968-69 EVANGELISM PLAN BOOK which will be available after July of 1968 from the Division of Evangelism, 301 Hillsborough Street, Raleigh, North Carolina 27603.

REPORT OF RESOLUTION COMMITTEE

Your Resolution Committee offers the following resolutions for your approval:

1. That we take this additional means of expressing our gratitude to the Mount Olive Baptist Church and the Hamlet First Baptist Church for their splendid hospitality as host of the One Hundred Fifty-Second Annual session of the Pee Dee Baptist Association.
2. That we thank our Moderator, Rev. Harold Mitchell, for the good leadership he has given us this year and for the excellent manner in which he has presided at these sessions of our annual meeting.
3. That we commend the Missions Committee for the faithful completion of their assignments during this Associational year. We acknowledge with gratitude the contribution of time, energy, and expense in the discharging of their duties.
4. We note with pleasure the enthusiastic support in the fresh beginning of our program of associational missions, and that we pledge our full support to Rev. Hoyle Langford, our new Superintendent of Missions.

Respectfully submitted,
John B. Hiott
Alton A. Coble, Chairman

RESOLUTION COMMITTEE'S RECOMMENDATIONS

1. We commend the Rev. Robert Bowen for his courageous and Christlike presentation of the serious social issues facing the church today.
2. We recognize that certain churches have named a committee on race relations and we commend that each church give serious consideration to naming a race relations committee to further open up lines of communication between races. That the Executive Committee of the Pee Dee Baptist Association take this subject under advisement and give encouragement and seek ways to implement this Christlike relationship.
3. That the Executive Committee be asked to extend an invitation to the Secretary of the Department of Interracial Cooperation of our State Baptist Convention to appear before the Executive Committee and give such assistance which would serve to bring about a spirit of good will among all races, creeds and points of view. And at that time, if deemed advisable, the appropriate steps be taken to establish an Association Interracial Cooperation Committee.
4. We recognize with appreciation the leadership of municipalities in Richmond County, the County Board of Commissioners, our hospitals, our schools and all other institutions and agencies which have taken significant steps in the matter of maintaining and projecting good relationships among all races and that they be encouraged to continue their efforts.

Respectfully submitted,

Constitution

PREAMBLE

We, members of Baptist churches in Richmond and Scotland Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I - NAME

The name of the association shall be the Pee Dee Baptist Association of North Carolina.

ARTICLE II - PURPOSE

The purpose of the Association shall be to promote Christian fellowship and co-operation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice those doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolences, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the State and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and By-Laws. Affiliated churches may also withdraw as they desire.

Section 3. Churches desiring to affiliate with this body shall apply to the Committee on Missions. If recommended by this Committee, they shall submit a written request to the Committee on Petitionary Letters including such recommendation, at least sixty days before the meeting of the Annual Meeting of the Association. If recommended by this Committee and accepted by a majority vote of the Association, the church shall agree to come under the watchcare of the Association for a sufficient time to satisfy the Association of its intent to continue, through practice and attitude, a cooperating Baptist church. Upon the recommendation of the Committee on Petitionary Letters, acceptance into the full fellowship of the Association shall be confirmed by vote of the Association. During this period, members of such churches shall

be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that neglects to maintain a spirit of cooperation with the Association, or fails to support the causes fostered by the Association, or that departs from the principles of the Christian faith as taught in the Bible and believed by Baptists.

Any church failing in cooperative practice shall be visited by the officers of the Association with a view to correcting such failures. In the event of the church refusing to correct failures found, upon the recommendation of the officers of the Association, the Association may by two-thirds majority vote of those present and voting withdraw fellowship from such church.

ARTICLE IV - MEETINGS

Section 1. The association shall meet in annual session on Tuesday (morning, afternoon and evening) following the third Sunday in October.

Section 2. Special meetings may be called by the Moderator, provided two weeks notice is given to all affiliated churches.

Section 3. Churches of fifty members or less shall be entitled to three messengers. One additional messenger shall be allowed for each additional fifty members or major fraction thereof, provided no church shall be entitled to more than ten messengers. These shall constitute the voting body of the Association. The names of messengers printed in the Minutes shall only include these attending and registering at the sessions of the Association.

ARTICLE V - AUTHORITY

Section 1. The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not.

Section 2. The association shall never exercise any authority over, or give direction to, any church or churches which are affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making requests for such help.

ARTICLE VI - OFFICERS AND THEIR ELECTION

*Section 1. The officers of this Association shall be the Moderator, Vice-Moderator, Clerk, Treasurer, Sunday School Superintendent, Training Union Director, Woman's Missionary Union President, Brotherhood Director, Music Director, Auditor, and Parliamentarian.

Section 2. The officers shall be elected on the last day of the Annual Meeting for a term of one year. The nominees shall be contacted and nominated by the Committee on Nominations (By-Law IV, Section 6). Committee nominations shall not preclude nominations from the floor. No person in the full-time employ of the Association may be elected to any office listed in Section 1 of this Article.

Concerning the application for membership of the Peace Valley Baptist Church, which at present is under watch-care of the Association.

The Missions Committee during this past year through investigation, observation, and analysis of quarterly reports received from this Church, has arrived at the following decision.

Upon the basis of evident lack of interest, cooperation, and support of Associational program; The Missions Committee recommends extended watch-care over this church, and futher consideration for action at the next annual Associational meeting 1969.

Respectfully submitted,

Missions Committee:
Mr. L.C. Speight
Mr. J.W. Hollis Sr.
Rev. Robert Rollins
Rev. Scott Turner Jr.
Mrs. J.D. Nash
Mrs. W.H. Anderson
Rev. Doran Cook, Chairman

Mr. Turner's amendment to the Missions Committee Report. We have been thrilled by the leadership of our Superintendent of Missions during this year. His constant effort, friendly Christian spirit, and know-how has been a source of strength for all of us. We acknowledge the financial support of our program to be due to the good work he has done. We commend him for this effort.

REPORT OF MISSIONS COMMITTEE

The Missions Committee received application for membership from the Stewartsville Baptist Church on September 14, 1967. This application was acknowledged and their desire for membership was reported to the Association in the October meeting of 1967. In accord with our constitution, the Stewartsville Church was at that time placed under watch-care of the Association for one year, October 1968, at which time upon recommendation by the Missions Committee their application should be voted upon.

The Stewartsville Baptist Church was investigated and examined by the Missions Committee on June 13, 1968, and, the following action is recommended:

> Being well-pleased with the results of the examination of the Stewartsville Baptist Church we place before this Association the Stewartsville Baptist Church and recommend that she be accepted into membership of the Pee Dee Association.

Also, upon examination of the application and accompanying pertinent information furnished by the Crestview Baptist Church May 27, 1968, we submit to you the application of said Church for membership in this Association. Therefore, according to our constitution, Crestview Baptist Church will be placed under watch-care of the Association until the October meeting of 1969, pending examination by the Missions Committee.

The report on the Peace Valley Baptist Church has not been completed at this time, and no action is recommended at this date.

I would, of course, like to thank those who worked so faithfully with me as members of this committee. Your effort and concern for our Associational work has been sincerely appreciated by me as chairman of the Missions Committee.

Respectfully submitted,
Doran E. Cook

REPORT ON EVANGELISM

The first great responsibility of Baptists today is to proclaim the message of the Gospel clearly, plainly and under the empowering of the Holy Spirit. The second is to see that the new life and purpose of God found in Christ is in the foreground of all our motives, attitudes and actions in personal , cultural and organizational life and that this involves us in helping meet the needs of all people. To express the same things another way is to say evangelism is our first great responsibility and the second is to follow our Lord Jesus Christ obediently, as taught in the Scriptures, that the true fruits of evangelism may issue from our total lives. Therefore, it must be of utmost concern to every Spirit-filled Baptist to know there is a reliable source of divine knowledge found in the Bible to preach the Gospel of Christ one must know what the Gospel is, and this God has revealed and written for us in the Bible.

To move with God this year and next in the Crusade of the Americas means that we must be diligent in searching the Scriptures and proclaiming the glorious Gospel of Christ revealed therein; and that we must walk daily with God in the fellowship of prayer. Leaders in the churches must make sure these two most vital matters are constantly practiced in their lives and that these matters are always kept before the people in the churches. This done faithfully and sincerely day by day across the weeks and months will bring individuals and churches into vital relationship with God.

It is urgently important that every church be confronted with the opportunity and responsibility of participating with other Baptists across the Western hemisphere in prayerful concern for a spiritual awakening to be experienced in the simultaneous revival meetings next spring. Messengers of this association are therefore urged to see that every church rightly faces this challenge. For details on the Crusade consult the GUIDEBOOK FOR BAPTISTS OF NORTH CAROLINA which has been mailed to all pastors, Sunday School Superintendents, Training Union Directors, WMU Presidents, and Brotherhood Presidents.

Let us pray unceasingly that the Crusade of the Americas will truly be a Great Awakening in our time. The Crusade can have an impact that will jolt our world back toward God if we give ourselves unreservedly in prayer and commitment.

As soon as a church votes to participate, the Associational Chairman of Evangelism should be notified.

Respectfully submitted,
Wayne Driggers

REPORT OF ORDINATION COMMITTEE

The Ordination Committee of the Pee Dee Association was requested to examine two candidates for ordination during the year and, in each case, recommended to the

church making the request that the candidate be ordained. The churches and ministers involved were the Peace Valley Church, Rev. Grady Benoist, pastor, and the Pleasant Hill Church, Rev. Henry Jenkins, pastor. These men are currently serving the churches which requested their ordination.

Let it be understood that the Ordination Committee is available for the service of any church but that no church is obligated to use the committee for the purpose of examining candidates for ordination.

HOME MISSIONS REPORT

The emphasis on "The Church Fulfilling Its Mission Through Ministry" has placed the spotlight on the minorities, the disadvantaged, the poor. These have been brought to our attention as objects of divine love and as persons we ought to reach for Christ. We now move to the climactic emphasis on "The Church Fulfilling Its Mission Through Evangelism and World Missions." The Crusade of the Americas and Project 500 will magnify the ultimate purpose of all home mission work--- to lead people to know and follow Christ. We face the future with the prayer that this agency may be used increasingly to develop in America a nation whose God is the Lord and to build an enlarging foundation for the spread of the gospel.

Arthur B. Rutledge
Executive Secretary-Treasurer
Home Mission Board

GOD'S WORD will be distributed in ever increasing numbers and variety in 1968 because of action by the Home Mission Board. The agency and concerned individuals have purchased 75,000 copies of GOOD NEWS FOR MODERN MAN. The Division of Communication has prepared a list of Scripture portions and other Bible aids for use with all people served by mission and evangelism workers. This list is available on request from the division.

PREPARATION FOR THE CRUSADE of the Americas dominated much of the work of evangelism during the past year, serving also as the theme for most of the evangelism conferences in the states the early part of 1968. The response was excellent to many special projects, such as the numerous crusades in the Northeast.

THE MISSIONARY FORCE totals almost 2,300 representing a gain of over 100, although 460 appointments were made of associate and career missionaries. Most of them are jointly employed with a state convention, association, and/or local congregation.

OTHER MISSION WORKERS included 740 student summer missionaries, with 626 supported by the Home Mission Board and 114 by Baptist Student Unions. There was greater interest and participation in the Christian Service Corps, including more than 100 (enlisted in part by the Brotherhood) who assisted with flood relief in Fairbanks, Alaska.

CHAPLAINS on active duty in Vietnam number more than 100, while there are 666 chaplains on duty with all of the military. In addition about 300 chaplains serve in

hospitals, institutions, and industry.

THE DOWNTOWN CHURCH STUDY was completed in cooperation with the Sunday School Board, and the first urban studies seminar was held in cooperation with Southeastern seminary and the District of Columbia convention.

THE NORTHEAST has become the scene for some of Southern Baptists most creative and rapid growth (with a 25 percent increase in the year) as part of an intensive emphasis upon pioneer missions.

LANGUAGE CONGREGATIONS are studying ways in which they might move to early self-support through a new emphasis implemented by the Language Missions Department. The study stresses a study of each field, consideration of fields of churches and missions by missionary personnel, and stronger self-determination by these congregations.

CUBA, still a source of great concern, has a shortage of national pastoral leadership. David Fite continues in prison and Herbert Caudill is under house arrest; twenty-five pastors are yet in prison. The Clifton Fites, David's parents, visited Cuba to plead unsuccessfully for his release, and an Atlanta physician made a brief visit to operate successfully on Caudill's one good eye. The Baptist World Alliance reports that Cuban Baptists will participate in the Crusade of the Americas.

THE COOPERATIVE PROGRAM and the Annie Armstrong Offering provided the largest support in the history of the agency, with $5,253,718 coming from the Cooperative Program including $323,268 from the advance section and the Annie Armstrong Offering brought $4,088,513.

NEW QUARTERS FOR THE STAFF and office force of the Home Mission Board were secured in Atlanta at 1350 Spring Street, N.W. (30309) to house, sometime after July 1, 1968, personnel now employed and those needed for the future. The new building, a seven-story structure, will nearly double the available space of the old building purchased more than twenty years ago.

THE MISSIONARY OBLIGATIONS of churches, associations, and state conventions are assisted by programs of the Home Mission Board, often apart from financial participation as staff members assist in projecting programs that are participated in personally and financed locally.

CHURCH LOANS for the purchase of sites and for building construction were made by the Division of Church Loans to 310 churches with loans totaling $7,199,377.

The Christian task in the homeland grows with each passing day. The population has passed 200 million. By 1980 it is expected to reach 242 million. Migration from central cities to suburbs will continue, as doubtless will problems of poverty, racial tension, and public and private morality. More than seventy-five million people in the United States are unchurched. Our national involvement around the world constitutes a heavy burden. We must pray and work for a renewal of spiritual vitality, a revival of Christian faith.

Kenneth Haigler

REPORT ON SUMMER CAMP

The Pee Dee Baptist Association Summer Youth Camp was held August 19-24 of this year at Camp Caraway, Asheboro, North Carolina. This was the third year the camp has been a part of our associational ministry.

The theme for the camp was, "Living in God's World"; the theme song was, "This Is My Father's World;" and the theme verse was Psalm 24:1, "The earth is

the Lord's and the fulness thereof; the world, and they that dwell therein."

The camp curriculum was designed to minister to the whole person. All aspects of the childrens lives were touched upon - mental, emotional, physical, social, moral and spiritual.

This year the camp structure was on the unit plan. There was a Junior Girls Unit with Mrs. David Hudson as Director. There was a Junior Boys Unit with Wayne Driggers as Director. The Intermediate Girls Unit Director was Mrs. Doran Cook. The Intermediate Boys Unit Director was Stan Cabell. Each Unit had its own daily schedule with the activities being coordinated between the four units. Some of these activities were, bible study, christian living study, swimming, other recreation, hikes, a talent show, a magic show, nature study, survival camping, and camp fire circles.

Part of the evening program was shared by all units. This service the first evening featured a film entitled, "THE HOUSE THAT HUNTER BUILT" which portrayed the reaction of two families to a high school activity bus wreck in which several teenagers were killed. The father in one family reacted with Christian spirit and the father in the other did not.

Mr. Joe Lennon on the second evening talked to the group about his experiences on a recent laymans tour of South America in connection with the Crusade of the Americas.

On the third evening the W.A. Mitcheners from Oxford gave the group a look at some foreign mission points with a very adept use of visual aids.

There was a total of 158 campers and 20 staff members for the camp. This is the largest number since the camp has been in existence. For next year the camp committee will probably have to consider two camps, one for Juniors and the other for Intermediates.

The total cost per camper was $15.00. This year the camp was financially self sustaining for the first time.

At the closing service of the camp 7 campers rededicated themselves to Christ and 5 campers accepted Christ as Lord and Saviour. The Camp Pastor, Frank Davis, has contacted the Pastors of these campers.

May I take this public opportunity to commend to you a camp staff that did a splendid job and express appreciation not only to the staff but the campers as well.

It is recommended that this ministry to our youth be continued and that another camp committee, to be chosen by the Executive Committee at its next meeting, be established to carry out plans for an Associational Youth Camp for the Pee Dee Baptist Association in 1969.

Alton A. Coble

FOREIGN MISSIONS REPORT

MISSIONARY SUPPORT

At the close of 1967 the Southern Baptist Foreign Mission Board had an overseas missionary staff of 2,277. This included 91 missionary associates, three special project medical personnel, and 102 missionary journeymen. Appointments during the year totaled 222 (130 career, 32 associates, 55 journeymen, and 5 reappointed). Between January and May, 1968, 115 more were added, 73 of them journeymen.

Even with the additional appointments, several hundred calls for missionary personnel are still unanswered. Preachers and medical people continue to be the most urgently requested.

EVANGELISM AND CHURCH DEVELOPMENT

The leading of people to new life in Jesus Christ is the ultimate purpose underlying all our missionary endeavors. Years of foreign mission labor have taught us that the cultivation of New Testament churches is the wisest investment of missionary resources. At the year's end, reports from the Missions (organizations of Southern Baptist missionaries) totaled 4,918 churches (3,211 self-supporting), 6,463 mission points, and 4,119 national pastors. Also reported were 46,275 baptisms, 571,647 church members, and 515,630 enrolled in Sunday School. Mainland China, closed to missionaries at present, was last estimated as having 392 churches and 123,000 members related to Southern Baptist mission work.

The Foreign Mission Board shared in 7 major evangelistic campaigns (Chile, East Africa, Indonesia, Japan, Jordan, Portugal, and Zambia), in which more than 17,000 decisions were reported.

SCHOOLS AND STUDENT WORK

The 1,295 schools (in 42 countries) with which our missionaries are related enrolled 181,639 students and were staffed by 6,469 national and 399 missionary teachers and administrators. Among the schools were 44 theological institutions having 1,766 students, and 6 women's training schools with 627 enrolled.

Several schools dedicated new buildings. The Zambia Theological Seminary admitted its first students. Two seminaries - one in Malaysia, another in Peru - moved to new campuses.

HOSPITALS AND MEDICAL CARE

Medical institutions included 20 hospitals and 86 clinics and dispensaries, with a total of 1,438 beds. In 1967, 145 national and 58 missionary physicians served with 367 national and 65 missionary nurses. They treated 47,580 inpatients and cared for 597,711 outpatients. Engaged additionally in the medical ministry were 913 nationals and 43 missionaries.

Public health broadcasts were initiated from the Baptist hospitals in Korea; the Gill Memorial Baptist Hospital in Brazil was inaugurated; and a leprosy building was completed at the Baptist hospital in Thailand.

BENEVOLENT MINISTRIES

To meet urgent relief needs, the Foreign Mission Board allocated emergency funds for the assistance of victims of war and natural disasters in twelve countries.

Twenty-five good will and community centers in 14 countries reached people in varied ways; literacy classes, homemaking courses, Bible study clubs, and evangelistic services. Staffed by 31 missionaries and 112 nationals, these centers enrolled 10,030 children and adults. In 15 children's homes, four missionaries assisted 113 national workers in caring for 1,168 boys and girls. Two new servicemen's centers in Korea began their ministry, and a Baptist center opened in Lome, Togo.

CONTRIBUTIONS

Total contributions of Southern Baptists for foreign missions amounted to $28,286,597 as 1967 closed (an increase of $1,239,397 over 1966). The 1967 Lottie Moon Christmas offering had reached a total of $14,664,679.30 by May 1, 1968.

Still, needs continued to be far beyond financial resources. Unfilled requests

from the Missions for urgently needed land, equipment, and buildings amounted to several million dollars.

Respectfully submitted,
Cecil Smith

REPORT OF THE ASSOCIATIONAL COMMITTEE ON INTERRACIAL COOPERATION

During the meeting of the Pee Dee Baptist Association of North Carolina in 1967, the Resolutions Committee brought certain recommendations which were adopted by the Association. Among these recommendations were the suggestions that each church give serious consideration to naming a Race Relations Committee to further open up lines of communication between races, and also that the Executive Committee take appropriate steps to establish an Associational Interracial Cooperation Committee.

Acting upon this authority, our Moderator, Mr. Phillip Tillman, appointed such a committee for the Association. It is composed of C.B. Deane, Jr., of Rockingham, and Ben F. Broadway of Hamlet. Pursuant to this appointment, the committee set about to get something meaningful under way. The following is the report:

1. A letter was written to Mr. Corbin L. Cooper, Secretary of the Department of Interracial Cooperation of the Baptist State Convention of North Carolina. In this letter we asked Mr. Cooper to give some guidelines for the committee to follow on an Associational level. In answer Mr. Cooper offered his personal help but stated that there was no set pattern by which such a committee could perform.

2. Sometime later the chairman of this committee visited Mr. Cooper's office for consultation. It was during this visit that your committee chairman was presented a new brochure of the work in the department. This material was mailed to all of the pastors in the state. The committee feels that this is a very good statement of what is trying to be done and commends it to all the pastors.

Keeping the contents of this brochure in mind and also the instructions given to the committee by the Association as interpreted by the Moderator, we now present some things for the consideration of the Association.

1. We recommend that there be a standing committee in the Association with the title "Interracial Cooperation Committee."

2. We further recommend that this committee be composed of five (5) members with at least two (2) members being women and at least two (2) being men.

3. We further recommend that this committee study ways in which the churches and Association might help bring better cooperation between the races.

4. In keeping with these thoughts, we further recommend that special attention be given to Race Relations Sunday and the possibility of having a Negro appear on our Associational program in the fall of 1969.

5. Our final recommendation is that the committee be encouraged to bring any recommendations to the Association which might be helpful in the area of better communications between the races.

Respectfully submitted,
Charles B. Deane, Jr.
Ben F. Broadway, Chm.

THE COOPERATIVE PROGRAM REPORT

What the budget is to the local church, the Cooperative Program is to the de-

nomination. It is support for all missionary causes at home and abroad--it's preaching the gospel--it's healing in the name of Jesus through hospitals and clinics everywhere --it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go.. preach..teach...!"

Let us resolve to pray earnestly for all Kingdom work through the Cooperative Program and support our prayers with sacrificial giving of self and substance. The Yates Association had 100% of their churches giving through the Cooperative Program during 1967.

A new Eight Day Stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation of every family in the church by the Deacons, prayer by every church member and a Week-end Stewardship Revival. Many of the pilot churches have found this an effective way to increase giving and pledge the church's budget.

According to records available our Association gave $_____during the last year for World Missions through the Cooperative Program.

RECOMMENDATIONS

We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.
(2) That each church have a special prayer for Cooperative Program causes during each church service in October.
(3) That each church give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

Respectfully submitted,
Glenn Snider

REPORT ON CHRISTIAN HIGHER EDUCATION

As of October 15, 1967, there were enrolled in the North Carolina Baptist colleges 12,024 students. This represents approximately the same number enrolled last year. Limited facilities, both in housing and in instruction , have made it necessary to turn away many qualified students. Enrolments are as follows: Campbell, 2,351; Chowan, 1,302; Gardner-Webb, 1,300; Mars Hill, 1,370; Meredith, 969; Wake Forest, 3,163; and Wingate College, 1,569.

The Baptist State Convention of North Carolina supports a unique program of Christian higher education. There are three senior colleges: Campbell, Buie's Creek; Mars Hill; and Meredith, Raleigh; Wake Forest University, Winston-Salem; and three junior colleges: Chowan, Murfreesboro; Gardner-Webb, Boiling Springs and Wingate, Wingate.

At the unanimous request of the college presidents, the Council on Christian Higher Education will again schedule forums on each campus of the seven Baptist colleges, to which pastors and other church leaders will be invited. This decision came as a result of the very successful BEST forums which were held last year, and a number of pastors and laymen have suggested that this type of communication between the colleges and our Baptist people might well become an annual event. As quickly as the schedule can be arranged, announcements will be coming to your pastors and Sunday School superintendents.

The continued growth of the support by our Baptist people of the Cooperative Program is most encouraging. For the year 1968, the following amounts were budgeted: Campbell - $272,377; Chowan - $163,100; Gardner - Webb - $154,945; Mars Hill - $234,864; Meredith - $234,864; Wake Forest University - $399,595; and Wingate - $171,255.

There is an increased interest in the Baptist College Day and the number of churches participating. The Baptist College Day has two main objectives: to inform our people about the purpose and program of Christian higher education, and to provide an opportunity through the Baptist College Day offering to give much-needed help to our schools.

Pastors and churches are urged next year to contact our schools and ask for a team of Baptist young people to give testimonies concerning what going to a Christian college means to them. One pastor said recently: "The two young people who came to our church have changed the whole attitude of our congregation towards the Baptist colleges and the Cooperative Program." We would also remind you that the Council office will be ready to assist any church in planning the observance of Baptist College Day, and will also be glad to recommend speakers.

The Christian college campus is emerging once again as a great moral and ethical force in American culture. Our church-related colleges have taken the lead in restoring disclipine and moral and ethical responsibility on the college campus. The denominations who grasp this opportunity to work with young people are the ones who will have the most effective Christian witness in America in the future. This is no time for retreating or retrenching. It is a time for positive Christian witness from our churches and from our Christian colleges. We believe that we have a mandate to reestablish a sense of Christian values in American life.

The Council on Christian Higher Education is a service organization, as well as a coordinating agency for the Baptist colleges in our state Convention. When in Raleigh you are invited to visit the office, and also on hand are special materials concerning all of our Baptist colleges and young people. This material is available to churches and individuals upon request, and may be obtained by writing to the Council on Christian Higher Education, 301 Hillsborough Street, Raleigh, North Carolina.

The Council also cooperates with local churches, Pastors' Conferences, and the associational missionaries in furnishing speakers on Christian Higher Education.

REPORT TO THE ASSOCIATIONS BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Co-operative Program income through the churches is increasingly important. Last year's Thanksgiving offering is the largest ever - now approaching $325,000. Special gifts bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year - two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

Respectfully submitted,
T.C. Thomas

HOMES FOR THE AGING REPORT

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albermarle Home, the Hayes Home, the Hamilton Home, and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five homes continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great State.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22 1/2% of their total support; (2) The Cooperative Program from which we receive 12 1/2% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around $200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

More than in any previous years the ministry of the Homes has been extended beyond the day to day care of the residents to our local churches and communities. Experiences have been shared in more than one Association, in World Missions Conferences, Family Life Conferences, High School classes in Family Living, etc.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose average age is 80, let him come and see. Let everyone who is contributing to this great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

This year our Association gave $689.00 to the North Carolina Baptist Homes for the Aging.

BAPTIST HOSPITAL REPORT

This is a full year at our Baptist Hospital with more than thirty thousand sick people being given medical service and Christian ministry, and more than 165,000 visits being made to the clinics of the hospital. In addition to this, more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which is greatly to increase the capacity of the Medical Center to train and to serve, is progressing on schedule. The new power plant is scheduled to go into operation in October. The paramedical school building is due to be ready by next April. It will provide the best in teaching facilities and make it possible to double the capacity of our nine schools and to add new Schools. The Medical School addition is to be ready by September, 1969, and will allow that school to enlarge by 35% . Contracts are due to be let in October for the new patient building, which is to be completed in 1971. This building and the remodeling of the oldest part of the present plant will provide more than 200 new patient beds and greatly enlarged space and facilities for offices and for examinations and treatment of patients.

The cost of this large Development Program is being provided by interested individuals, corporations, foundations and government agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for greatly enlarging these services.

But this is a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a growing deficit. We have been told this for several years but the gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. A patient's hospital bill will be estimated in advance, any available hospital insurance will be deducted, and the balance must be paid before the patient is admitted unless he is certified by his county welfare department or some other agency. Any balance beyond the estimated bill must be paid before the patient is discharged. In case of an emergency, the patient may be admitted but the hospital bill must be paid as soon as possible after admission. The Mother's Day Fund will be used as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

The great concern at our Baptist Hospital is for these patients who must have financial assistance if they are to get the specialized care they need. But the hospital has come to the point that it cannot continue to operate with out the money necessary to cover the cost. In view of the circumstances, we believe the great majority of our pastors and our people will understand these changes and give their full cooperation. The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its mission to our people who most need it. We want to assure our hospital that it can depend upon us in full measure.

Ben Broadway

ASSOCIATIONAL FOUNDATION REPORT FOR 1968

During the past year, The North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation Christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

Respectfully submitted,
C.B. Deane

TRAINING UNION REPORT

These are important days in the ministry of Training Union. Many new ideas, new materials and a new seriousness to our need for Christian training are coming to us through our Training Unions!

This has been a good year for Training Union in the Pee Dee Baptist Association. Two major events gave impetus in strengthening the Associational Training Union. They were "M" Night and Youth Night.

"M" Night was held November 27, 1967 at the First Baptist Church, Rockingham, N.C. The total attendance was 376.

Associational Youth Night was held March 16, 1968 at the Cordova Baptist Church. The response to this was quite gratifying as an attendance of 375 was realized.

We have 20 Training Unions in our Association with an enrollment of 1,331.

May I urge each of you to study and stay up-to-date with the current Training Union materials, especially the TRAINING UNION MAGAZINE. This is essential in order to know what is going on in Training Union Work.

Also, may I thank each of you for your prayers, assistance, and support in carrying on the Training Union work. I would like to pledge to you my best during the coming year, and beg you to support and use your Training Union as a means toward a more

effective Christian witness through the local church.

May the Lord guide us toward greater gains in the work of Training Union.

Respectfully submitted,
A.G. Ferris,
Associational Training Union Director

W. M. U. REPORT

The Pee Dee Associational W.M.U. has had a challenging and exciting year. The suggested new plans and methods in making W.M.U. aims more effective have captured the interest of a large audience.

According to available records, there are 29 W.M.S. organizations in the association, 22 Sunbeam organizations, 21 G.A.'s, 12 Y.W.A.'s . However the following progress report of the Pee Dee W.M.U. was obtained from only 22 W.M.U. records mailed to the director: W.M.S. enrollment in 22 societies - 864, with one honor W.M.S., two advanced, seven approved. There are 10 Beginner Sunbeam organizations, 2 advanced, 4 approved, 12 primary, 3 advanced, 3 approved; 10 ungraded, 3 approved. There are 18 Junior G.A. organizations: 15 Intermediate G.A.'s , 6 ungraded G.A.'s, 2 honor G.A.'s, 3 advanced and 12 approved. An enrollment of 37 has been given for the five Y.W.A.'s reporting.

The Y.W.A.'s have had two banquets this past year. Mrs. Hoyle Langford taught the Foreign Mission Book and Mrs. Grover Vaughn, the Home Mission book.

The G.A.'s had their annual meeting at the Laurel Hill Baptist Church with Dr. David McLean as guest speaker. About 100 girls attended this occasion. Many G.A. girls with their leaders attended the summer camps.

The associational W.M.U. had a very successful Brotherhood - W.M.U. workshop at the Second Baptist in Hamlet. Mrs. Hoyle Langford, Prayer Director, planned and conducted an impressive Prayer Retreat. Going to Ridgecrest W.M.U. week was one of the highlights for many W.M.U. members. The associational meeting on May 9 at the First Baptist in Laurinburg, with Miss Linda Warren, State Y.W.A. Director and Rev. Sim Smith, Beverly Hills Baptist pastor as guest speakers; was a memorable occasion for about 125 women and guests. A W.M.S. Leadership Course was conducted in September with 75 women present.

The W.M.U. of the Pee Dee Association is looking forward to a great year in organizational and most important, personal spiritual growth.

Mrs. W.B. Meares

SUNDAY SCHOOL REPORT

The primary task of Sunday School is to teach the Biblical Revelation. Related tasks are to lead in reaching all prospects for the church, lead all church members to worship, witness, learn, and minister daily , provide organization and leadership for special projects of the church, provide and interpret information regarding the work of the church and the denomination.

The Associational Sunday School organization plans its activities to help the churches perform their Sunday School tasks.

This coming year your Associational Sunday School organization has planned the following activities:

Teacher Training Clinic
Vacation Bible School Clinic
New Work (a search for potential mission classes)
Action Night
January Bible Study Clinic (for pastors)
Planning stages for Sunday School Enlargement Campaign (in the next year or two)
Group Conferences (explained in next paragraph)

In an effort to better serve the Sunday Schools, The churches in the Association have been divided into eight groups. A meeting for each group will be set up sometime during the Fall, Winter and Spring months. Perhaps these small groups will make for a more personal, informal and informative approach to Sunday School work. The purpose of these meetings is two fold: (1) to find out ways in which the Associational Sunday School organization can help the churches, and (2) to present Sunday School information and suggest some ways in which the Associational Sunday School organization can be of help to the churches.

This past year there were three V.B.S. Clinics held in the Association by our Vacation Bible School faculty. The first was held on April 22 at North Laurinburg, the second on May 6 at Pee Dee and the third on June 17 at New Hope, a Negro Baptist Church in Hamlet. People from other Negro churches in the surrounding area were present. This was a very rewarding meeting for all concerned. The V.B.S. faculty was: Mrs. Alton Coble, Mrs. Tom Terry, Mrs. John Rorie, Mrs. David Hudson, Mrs. H.E. Langford and Alton A. Coble.

Action Night was held September 9 at Pine Grove with a look at what is new in Sunday School work, Sunday School Work 1968-69 and featuring a look at the Crusade of the Americas.

This November 1 and 2 a group of our pastors will travel to Camp Caraway for a study retreat. The subject for study is the January Bible Study selection for 1969 which is Isaiah. The pastors will be led by Dr. Russell Cherry, pastor of the Rocky Mount First Baptist Church.

The Pee Dee Baptist Association Organization recommends the following goals for the coming year of Crusade of the Americas emphasis:

1. That all churches make a prospect search (census) for the unchurched and unenlisted.
2. That all churches launch a Sunday School enrollment visitation program.
3. That all churches observe January Bible Study.
4. That all churches inaugurate personal witnessing plans through the Sunday School.
5. That all churches have a Vacation Bible School.

Respectfully submitted,
Alton A. Coble

REPORT OF THE BIBLICAL RECORDER

This is a period in history when some church publications are struggling to exist. Smaller circulation, rising cost of publication, mergers, and other factors are creating hardships for many publications.

Your BIBLICAL RECORDER is not immune from some of these problems, but there is a brighter side to its ministry. In January, the RECORDER had its 135th birthday so this indicates it is durable and hardy. While circulation did not set any new records in the past year, a healthy gain was noted. Inflation, accompanied by increased printing costs, caused the RECORDER to have to buckle its belt but necessary economy steps

were well accepted by our Baptist people. One of these was to let the churches pay the state sales tax, thus saving the RECORDER nearly $5,000 a year.

There is every indication that the RECORDER is continuing to be read closely. Letters to the editor reflect this growing interest on the part of readers. This is healthy and is one of the strong points of Baptist democracy. The RECORDER runs well over 200 letters a year, many of them expressing strong feelings on a variety of subjects. Baptists are individualists and since this is part of our heritage, the RECORDER is glad to receive letters on the issues facing Christians today. There must be dialogue among Baptists and the RECORDER is glad to serve our denomination in this capacity.

The tragedy is that more of our Baptist people don't get the RECORDER. Although hundreds of churches send it to every home, there are too many churches that do not have it in the budget. Frequently the interest and hard work of one person can mean the difference. Try it and see.

The RECORDER staff rededicates itself to the job of getting out the best paper possible in these days of serious upheaval. Speaking the truth in love is the goal of the RECORDER at all times. The support of all Baptists is needed in carrying out this objective.

Respectfully submitted,
Phillip Tillman

NORTH CAROLINA MISSIONS REPORT

Before the organization of a Baptist State Convention local churches in some areas engaged in mission outreach. They shared the gospel of Christ with people beyond the local congregation. Many of them sacrificed much in order to share their faith with others in a growing state. Our forefathers wisely recognized they could accomplish more if organized into a Baptist State Convention. Accordingly, in 1830 a group of loyal Baptists met in Greenville, N. C. and organized the State Convention. The primary objectives of the new convention was to be the education of young men called of God to the ministry; the employment of missionaries within the bounds of the state; and to cooperate with other Baptists in the United States in the promotion of missions in general. From the beginning of our organized mission effort to this present day, we have had leaders of vision. Following many discouragements in early days of our history, the Convention soon began to function, as an effective mission agency. Today, it is almost impossible to find a strong Baptist church in North Carolina that was not in some way assisted by the mission program of the State Convention.

DIVISION OF MISSIONS. If we think of missions as an extension of the ministry of the local church into organized channels of service, all we do as a Convention could be classified as missions. But for the sake of clarity and sharing of responsibility we are organized into seven divisions. There is a Division of Business Administration, a Division of Evangelism, a Division of Stewardship Promotion, a Division of Christian Higher Education, and a Division of Christian Social Services.

The Division of Mission works through five departments and numerous specialized ministries. The departments operate under capable Secretaries who travel to mission areas within the state offering counsel and guidance wherever needed and whenever requested by local leadership. These departments are: Town and Country and Seminary Extension; City and Metropolitan; Interracial; Deaf Work; and Fruitland Baptist Bible Institute and camp.

SPECIALIZED MINISTRIES include Military; Cherokee; World Missions Conferences (Schools of Missions). Our purpose is to share the love of Jesus Christ with people. We believe the individual must have a vital personal experience with Christ. We also believe in the total salvation of the individual; therefore, the neces-

sity of the new birth; but also the necessity of applying the teachings of Jesus to tension-filled problems in today's world. If some Christian social ministry or resort ministry can lead a person to a personal encounter with Jesus, we begin there. We believe no method, old or new, is to be overlooked in sharing the gospel of our Lord.

OUR TOWN AND COUNTRY DEPARTMENT is placing strong emphasis on in-service training to ministers who need it through SEMINARY EXTENSION. This work is done in cooperation with the Southern Baptist Convention Seminary Extension Department. The number of Seminary Extension Centers is rapidly increasing.

Thousands of our people are in resort areas for their vacations. Already we have a vigorous and rapidly expanding resort ministry. Wherever possible, the local church is asked to assume all or part of this ministry. If not possible, the resort ministry may be a specialized ministry. This ministry may be a lakeside Sunday School Class, an oceanside Worship Service, or a Christian film shown at a place on the beach that will attract teenagers.

The Town and Country Department promotes a week of Christian study and fellowship at Mars Hill and Chowan Colleges annually.

DEAF WORK. The Ministry of our Department for the Deaf occupies a position of respect and love among Baptists and other denominations in North Carolina. Sunday School classes for the deaf are organized and promoted throughout the state. Interpreters are trained for local churches. Retreats and Revivals for the deaf are held frequently. Many services of a personalized nature are extended in Christian love to those who live in a world of silence. The Deaf Department and the Department of Program Services join in producing a televised teaching and worship service program designed especially for the deaf. This program is broadcasted weekly free of charge by the management of several television stations within North Carolina. The program has proven so useful that it is now being widely televised in several states.

Preaching, teaching, counselling, and visitation with the deaf is a day by day ministry requiring the service of dedicated men. Our total ministry for the deaf is now a joint project of the Baptist State Convention and our Home Mission Board.

FRUITLAND BIBLE INSTITUTE. Adult education is emphasized in the training of Christian leaders at Fruitland Bible Institute. The institute offers excellent opportunity to those who have not had the opportunity of a college education. Those who have the ability and the opportunity for further training are encouraged to go on to college and seminary. A good library is a process of growth. A new administration building is being erected. The work is being upgraded as fast as appears reasonable for the good of the students now enrolled and the prospective students. Twenty-four courses are offered. We are currently ministering to the largest number of students since the founding of the school in 1946.

MILITARY MINISTRIES. North Carolina Baptists have a significant ministry in Military areas. We have within the state a heavy concentration of military personnel at Fort Bragg, Camp Lejuene, Cherry Point, Seymour Johnson Air Base, and several smaller bases. Financial aid is given to numerous churches in these areas. A Military Personnel Secretary is giving guidance to work in military areas. His job description calls for bringing about helpful contacts and mutual understanding between chaplains and local pastors, and securing of information as to changes in chaplaincies and military personnel. This information is mailed impartially to Baptist pastors and may be secured by others. He works in cooperation with the Superintendents of Missions (Associational Missionaries) and the Missions Committees in military areas. He gives guidance and encouragement to work among orientals, largely made up of Japanese women who have married American Servicemen.

CHEROKEE MINISTRIES. We are also involved in a cooperative ministry with the Home Mission Board in Cherokee, N. C. A Child Care Center is being operated in the building of the Cherokee Baptist Church. There has been an encouraging increase in enrollment. The response from all areas of the reservation is good. The Cherokee Baptist Church in transition from mission to full-fledged church. They are contributing substantially to the Cooperative Program. Several churches on the reservation still receive pastoral aid or lot aid from the Convention. We expect this to continue for some years but they are becoming stronger. They are beginning to give to missions. We expect continuing growth in stewardship and slow but gradual movement toward self-support. Many of the Indians are now profitably employed.

LOCAL AND PASTORAL AID MINISTRIES. The need for financial aid to small mission churches over the state will continue. Many of them grow into strong churches that liberally support the whole mission program of our Convention. Our needs are far beyond what we can now meet. Prayerful vision, mission education and balanced stewardship is the only hope for many who now wait for the redemptive message of our Saviour.

For detailed information on any of the work of the Division of Missions, please contact the Divisional office, 301 Hillsborough Street, Raleigh, N. C. 27603.

RESOLUTION COMMITTEE REPORT

We, the messengers to the Pee Dee Baptist Association hereby express our gratitude to both the Beverly Hills Baptist Church and the McDonald Baptist Church for their excellent hospitality extended graciously to the Association during this its 153rd annual session.

We further express our appreciation to our moderator, Rev. Phillip Tillman, for the very effective leadership which he has given the Association and for the courteous and efficient manner in which he has presided over these sessions.

We also express our appreciation to the program committee for presenting such an inspiring program. To Brother Sim Smith, W. C. Lamb, Dr. Budd Smith, J. O. Williams, J. N. Beatty, Marse Grant, and Hoyle Langford and to others on the program, we are deeply indebted for the contributions they have made to this session of the Pee Dee Association.

Finally, your resolution committee recommends that each and every church represented in the Pee Dee Association pledge to continue to support our program of associational missions, and that we pledge even greater support to Rev. Hoyle Langford, our superintendent of missions, throughout the up-coming fiscal year.

A STATEMENT CONCERNING THE CRISIS IN OUR NATION

(As amended and approved by the Convention June 5, 1968)

(We recognize that no individual or organization can speak for all Baptists. The following represents the concern, confession, commitment, and appeal by the majority of the messengers meeting in Houston, Texas, June 4, 1968)

WE FACE A CRISIS

Our nation is enveloped in a social and cultural revolution. We are shocked by the potential for anarchy in a land dedicated to democracy and freedom. There are

ominous sounds of hate and violence among men and of unbelief and rebellion toward God. These compel Christians to face the social situation and to examine themselves under the judgment of God.

We are an affluent society, abounding in wealth and luxury. Yet far too many of our people suffer from poverty. Many are hurt by circumstances from which they find it most difficult to escape, injustice which they find most difficult to correct, or heartless exploitation which they find most difficult to resist. Many live in slum housing or ghettos of race or poverty or ignorance or bitterness that often generate both despair and defiance.

We are a nation that declares the sovereignty of law and the necessity of civil order. Yet, we have had riots, and have tolerated conditions that breed riots, spread violence, foster disrespect for the law, and undermine the democratic process.

We are a nation that declares the equality and rights of persons irrespective of race. Yet, as a nation, we have allowed cultural patterns to persist that have deprived millions of black Americans and other racial groups as well, of equality of recognition and opportunity in the areas of education, employment, citizenship, housing and worship. Worse still, as a nation, we have condoned prejudices that have damaged the personhood of blacks and whites alike. We have seen a climate of racism and reactionism develop resulting in hostility, injustice, suspicion, faction, strife, and alarming potential for bitterness, division, destruction, and death.

WE REVIEW OUR EFFORTS

In the face of national shortcomings, we must nevertheless express appreciation for men of good will of all races and classes who have worked tirelessly and faithfully to create a Christian climate in our nation.

From the beginning of the Southern Baptist Convention and indeed in organized Baptist life, we have affirmed God's love for all men of all continents and colors, of all regions and races. We have continued to proclaim that the death of Jesus on Calvary's cross is the instrument of God's miraculous redemption for every individual.

Inadequately but sincerely, we have sought in our nation and around the world both to proclaim the gospel to the lost and to minister to human need in Christ's name. Individually and collectively, we are trying to serve, but we have yet to use our full resources to proclaim the gospel whereby all things are made new in Christ.

WE VOICE OUR CONFESSION

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven and will forgive their sin, and will heal their land." (2 Chron. 7:14)

The current crisis arouses the Christian conscience. Judgment begins at the house of God. Christians are inescapably involved in the life of the nation. Along with all other citizens we recognize our share of responsibility for creating in our land conditions in which justice, order and righteousness can prevail. May God forgive us wherein we have failed Him and our fellow man.

As Southern Baptists, representative of one of the largest bodies of Christians in our nation and claiming special ties of spiritual unity with the large conventions of Negro Baptists in our land, we have come far short of our privilege in Christian brotherhood.

Humbling ourselves before God, we implore Him to create in us a right spirit of repentance and to make us instruments of his redemption, his righteousness, his peace, and his love toward all men.

WE DECLARE OUR COMMITMENT

The Christ we serve, the opportunity we face, and the crisis we confront, compel us to action. We therefore declare our commitment, believing this to be right in the sight of God and our duty under the lordship of Christ.

We will respect every individual as a person possessing inherent dignity and worth growing out of his creation in the image of God.

We will strive to obtain and secure for every person equality of human and legal rights. We will undertake to secure opportunities in matters of citizenship, public services, education, employment and personal habitation that every man achieve his highest potential as a person.

We will accept and exercise our civic responsibility as Christians to defend people against injustice. We will strive to insure for all persons the full opportunity for achievement according to the endowments given by God.

We will refuse to be a party to any movement that fosters racism or violence or mob action.

We will personally accept every Christian as a brother beloved in the Lord and welcome to the fellowship of faith and worship every person irrespective of race or class.

We will strive by personal initiative and every appropriate means of communication to bridge divisive barriers, to work for reconciliation, and to open channels of fellowship and cooperation.

We will strive to become well informed about public issues, social ills, and divisive moments that are damaging to human relationships. We will strive to resist prejudice and to combat forces that breed distrust and hostility.

We will recognize our involvement with other Christians and with all others of good will in the obligation to work for righteousness in public life and justice for all persons. We will strive to promote Christian brotherhood as a witness to the gospel of Christ.

WE MAKE AN APPEAL

Our nation is at the crossroads. We must decide whether we shall be united in good will, freedom, and justice under God to serve mankind or be destroyed by covetousness, passion, hate, and strife.

We urge all leaders and supporters of minority groups to encourage their followers to exercise Christian concern and respect for the person and property of others and to manifest the responsible action commensurate with individual dignity and Christian citizenship.

We appeal to our fellow Southern Baptists to join us in self-examination under the Spirit of God and to accept the present crisis as a challenge from God to strive for reconciliation by love.

We appeal to our fellow Southern Baptists to engage in Christian ventures in human relationships, and to take courageous actions for justice and peace.

We believe that a vigorous Christian response to this national crisis is imperative for an effective witness on our part at home and abroad.

Words will not suffice. The time has come for action. Our hope for healing and renewal is in the redemption of the whole of life. Let us call men to faith in Christ. Let us dare to accept the full demands of the love and lordship of Christ in human relationships and urgent ministry. Let us be identified with Christ in the reproach and suffering of the cross.

We therefore recommend to the messengers of the Southern Baptist Convention that:

1. We approve this statement on the national crisis.
2. We rededicate ourselves to the proclamation of the gospel which includes redemption of the individual and his involvement in the social issues of our day.
3. We request the Home Mission Board to take the leadership in working with the Convention agencies concerned with the problems related to this crisis in the most effective manner possible and in keeping with their program assignments.
4. We call upon individuals, the churches, the associations, and the state conven-

tions to join the Southern Baptist Convention in a renewal of Christian effort to meet the national crisis.

)EDICATED IN MEMORY OF ELBERT NEIL JOHNSON

Elbert Neil Johnson, Baptist minister, brilliant scholar, tireless student of the Bible, oet, and unusually devout Christian leader, was born February 3, 1886 in Sampson ounty, son of the late Calhoun and Laura Alderman Johnson. He received his early ducation at Dell School, Delway, N.C. He received his B.A. degree from Wake Forest ollege and his theological degree from Southern Baptist Theological Seminary. On)ctober 1, 1913 he married Frances Livingston Johnson, daughter of the late Dr. ivingston Johnson, long-time Editor of the Biblical Recorder.

In a ministry which extended over a period of more than sixty years, Mr. Johnson erved as pastor of the First Baptist Church, Morganton, First Baptist Church, eidsville, First Baptist Church Dunn, First Baptist Church, Mount Olive, First Baptist hurch, Fair Bluff, Bear Swamp Church, Robeson Association, and the Spring Hill Baptist hurch, Wagram, his last pastorate which extended from the Fall of 1948 until his etirement, January 31, 1959.

Mr. Johnson was a diligent student of the Greek New Testament and was in great emand as teacher in Pastors' schools and Bible conferences. Mr. Johnson published nany articles, numerous pamphlets, and one book, "The Master is Here." At the time f his death he was preparing for publication a study of the book of Isaiah.

Mr. Johnson was loyal to his denomination. Until the last weeks of his life he at- ended almost all meetings of the Pastors' Conference, attended all meetings of the istrict Association, and attended fifty-five consecutive meetings of the North Carolina aptist State Convention.

Mr. Johnson interpreted death as a birth experience and had his own "glory-birth" ebruary 26, 1969. Funeral services were held at the Spring Hill Church, February 28, ith burial in the Spring Hill cemetery, Wagram, N.C. He is survived by Mrs. Johnson, ne son, Dr. Elbert N. Johnson, Jr., Columbia, S.C., two daughters, Dr. Meredith ohnson, and Mrs. Lawrence W. Hudson, Charlotte, N.C.

For many years Mr. Johnson wrote hymns and in his retirement years spent much time in this enriching endeavor. A number of his hymns have been published by the Hymn Society of America, including the following hymn on the ministry, which indicates his own deep faith in Christ and dedication of life to Him:

Lord of life that came to flower
When on Calv'ry Jesus died;
Praise to thee for grace and power,
Which can keep us at thy side.
May thy servants share thy passion,
Feel the hurt of sin-sick men;
Help us bring to them thy healing;
Thou canst make them whole again.

Lord and Light of all our being,
In whose image man is made,
Cleanse our hearts for clearer seeing,
Let thy likeness be portrayed.
Hold us, Father to thy purpose;
Help us choose thy righteous ways,
Seek thy light for each decision,
Give ourselves to thee with praise.

God of love, revealed in Jesus,
Bless the Church that bears his name;
For her mission, Lord, release us,
Send us forth with hearts aflame.
In thy Spirit may we worship,
Grant his gracious pow'r again
As we love and serve thy kingdom
In the brotherhood of men.

Draw all hearts to glad submission,
Freely offered at thy feet;
Bring our lives to full fruition;
Make thy work in us complete.
Grant us courage to be loyal,
Grace to witness and adore;
Thine the kingdom, thine the power,
Thine the glory everymore.

Constitution

PREAMBLE

We, members of Baptist churches in Richmond and Scotland Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I - NAME

The name of the association shall be the Pee Dee Baptist Association of North Carolina.

ARTICLE II - PURPOSE

The purpose of the Association shall be to promote Christian fellowship and cooperation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice those doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolences, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the State and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and By-Laws. Affiliated churches may also withdraw as they desire.

Section 3. Churches desiring to affiliate with this body shall apply to the Committee on Missions. If recommended by this Committee, they shall submit a written request to the Committee on Petitionary Letters including such recommendation, at least sixty days before the meeting of the Annual Meeting of the Association. If recommended by this Committee and accepted by a majority vote of the Association, the church shall agree to come under the watch care of the Association for a sufficient time to satisfy the Association of its intent to continue, through practice and attitude, a cooperating Baptist church. Upon the recommendation of the Committee on Petitionary Letters, acceptance into the full fellowship of the Association shall be confirmed by vote of the Association. During this period, members of such churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that neglects to maintain a spirit of cooperation with the Association, or fails to support the causes fostered by the Association, or that departs from the principles of the Christian faith as taught in the Bible and believed by Baptists.

Any church failing in cooperative practice shall be visited by the officers of the Association with a view to correcting such failures. In the event of the church refusing to correct failures found, upon the recommendation of the officers of the Association, the Association may by two-thirds majority vote of those present and voting withdraw fellowship form such church.

ARTICLE IV - MEETINGS

Section 1. The association shall meet in annual session on Tuesday (morning, afternoon and evening) following the third Sunday in October.

Section 2. Special meetings may be called by the Moderator, provided two weeks notice is given to all affiliated churches.

Section 3. Churches of fifty members or less shall be entitled to three messengers. One additional messenger shall be allowed for each additional fifty members or major fraction thereof, provided no church shall be entitled to more than ten messengers. These shall constitute the voting body of the Association. The names of messengers printed in the Minutes shall only include these attending and registering at the sessions of the Association.

ARTICLE V - AUTHORITY

Section 1. The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not.

Section 2. The association shall never exercise any authority over, or give direction to, any church or churches which are affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making requests for such help.

BAPTIST CHILDREN'S HOMES REPORT

Among church supported agencies, North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. This is an application of the teaching and example of Christ in His earthly ministry. More than 1200 children and their families are served annually.

The Children's Homes, through a variety of quality service, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through

the work of regional casework centers throughout the State.

More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history. All agency beds are filled and all available money is being utilized. We, too, have been caught in the rising costs of living and in an inflationary economy. A wider variety of quality services are being demanded to meet the needs of children who are the products of today's complex society. Present economic conditions make it necessary to have additional operating income with which to maintain the current program before any further expansion of services can be considered.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first two cottages for children. When the campus has been completed provision will have been made for four cottages for children, a multi-purpose administration and activities building and a home for the superintendent. With the support and co-operation of Baptists and other friends of the Homes another ministry is being developed in Asheville. A home in which to serve unwed mothers and their offspring will be opened during the fall of 1969.

By the use of designated gifts and bequests from individuals and families, singificant progress is being made in the long range plans for upgrading of facilities. Two cottages are now under construction at Mills Home. A recreation building and an infirmary at Kennedy Home and two cottages for children at the Broyhill Home are scheduled for construction during the next year.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Respectfully submitted,
Truitt Covington

HOMES FOR THE AGING REPORT

Never before have your Baptist Homes for the Aging been more conscious of the Lord's Presence and of His Goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, when the weather was at its severest on the 3rd Sunday of February, the day of the Special Offering, the churches came through with an offering that promises, at this point, to be the greatest in the Homes' history. The Lord, who is in charge of the weather and in charge of the Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord and faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for

our ministry to the Aging - the Special Offering, and the Cooperative Program. Through these two sources, one-third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we are to continue to assist these many needy persons, and if we are to reduce the deficit in the operation of the Homes, brought about by the rising cost of living, we must have more liberal support from our churches.

We do not believe that our Baptist people would want to curtail any of the vital ministries of the Homes and that they will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity, and we now have almost 200 deserving men and women living in our midst there and in our other four Homes - Resthaven, and Hayes Home, in Winston-Salem, the Albermarle Home, in Albermarle, and the Hamilton Home, in Hamilton. These wonderful people are finding much happiness in Christian companionship with persons of their own age group, and great security in knowing that they will be loved and cared for in sickness as well as in health.

It is a deeply rewarding experience to see the light and joy of Christ on an older person's face and to hear words of deep appreciation almost daily for the Christian love and nurture that North Carolina Baptists are making possible through this ministry. We believe, therefore, that our Baptist people will want to have an ever-increasing part in so worthy a labor of love in the Master's Name. We know that the Lord will not fail us, and we also believe that our people will want to be as faithful as possible.

Glenn Snider

BAPTIST HOSPITAL REPORT

Our Medical Center continues a high quality program of medical care, training of medical personnel, and research in the cause and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way they are able better to discover those patients who may be eligible for medical care assistance through Social Services departments or other health agencies, and can start proceedings at once for getting these patients certified if this has not already been done. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance. A member of the family must go to the agency and give the necessary information, and getting this done is often a real problem. Many of our pastors have helped in this connection and have rendered important service for the patients and the hospital.

If it were not for the help which comes from these health agencies, our Mother's Day Fund would not last for three months. After paying the difference between what the agencies pay and the total cost of these patients, the Mother's Day Offerings are used to help as many as possible of those who are not eligible for certification

and who themselves cannot pay the total cost of their care. First preference must be given to those patients whose needs are greatest and most urgent. The free care the hospital gives must now be limited in keeping with the funds provided for this purpose, however, because the hospital cannot continue to go deeper in debt.

It is important that our people understand that all of the Mother's Day Offerings and designated gifts for this ministry were used for this purpose alone, and the hospital makes them go as far as it possibly can. The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

In a recent report we noted that the Mother's Day Offerings for the first eight months of 1969 are now more than they were for the entire year of 1968 in twenty-two Associations. The Pee Dee Baptist Association was one of several Associations which had an increase in offerings of ten per cent or more, for which we are most grateful.

SUNDAY SCHOOL REPORT

The primary task of Sunday School is to teach the Biblical Revelation. Related tasks are to lead in reaching all prospects for the church, lead all church members to worship, witness, learn and minister daily, provide organization and leadership for special projects of the church, provide and interpret information regarding the work of the church and denomination.

The Associational Sunday School organization plans its activities to help the churches perform their Sunday School tasks.

This coming year your Associational Sunday School organization has planned the following activities:

Shaping the 70's Conference
April Training for Shaping the 70's Team
Shaping the 70's Team helping the Churches
Vacation Bible School Clinics
New Work (a search for potential mission classes)
Action Night
January Bible Study (for Pastors)
Planning stages for Sunday School Enlargement Campaign (in the next year or two)

This past year there were three V.B.S. Clinics held in the Association by our Vacation Bible School faculty. The first was held on April 14 at Cordova, the second on May 5 at Stewartsville, and the third on May 19 at New Hope, a Negro Baptist Church in Hamlet. People from other Negro churches in the surrounding area were present. This was a very rewarding meeting for all concerned. The V.B.S. faculty was: Mrs. R.D. Riggins, Mrs. R.C. Davis, Paul Chiles, Mrs. G.B. Vaughn, Mrs. David Hudson and Alton A. Coble. Mrs. Hudson also serves as V.B.S. Superintendent for the Association.

Action Night was held September 29 at Beverly Hills with a look at what is new in Sunday School work, 1969-70.

This November 7 and 8 a group of our pastors will travel to Camp CaRAway for a

study retreat. The subject for study is the January Bible Study selection for 1970 which is the Book of James. The pastors will be led by Dr. Eugene Poston, President of Gardner-Webb College.

The Pee Dee Baptist Association Sunday School Organization recommends the following goals for the coming year of Belief and Relevance emphasis:

1. That all churches make a prospect search (census) for the unchurched and unenlisted.
2. That all churches launch a Sunday School enrollment visitation program.
3. That all churches observe January Bible Study.
4. That all churches inaugurate personal witnessing plans through the Sunday School.
5. That all churches have a Vacation Bible School.
6. That all churches make preparation for the 70's.

Respectfully submitted,
Alton A. Coble

THE SUNDAY SCHOOL BOARDS OBJECTIVE

The Sunday School Board's objective is to support the Southern Baptist Convention in its task of bringing men to God through Jesus Christ, by making available Bibles, lesson courses and materials, books, films and filmstrips, music and recordings, and church supplies and by fostering education and service programs which will help the churches to establish, conduct, enlarge, and improve their ministries of Bible teaching and Christian training.

The commitment of the Sunday School Board is to provide for the present as we prepare for the future. Both provision for the present and preparation for the future will reflect greater use of Bible material in curriculum and a continued emphasis upon reaching people for Christ and church membership.

The achievement of our objectives depends upon God's gift of strength and direction, the diligent labors of dedicated personnel, and the prayers and support of the denomination we serve.

We now prepare for a decade of aggressive and dynamic leadership as we strive to point the churches toward the trails they may blaze in performing their tasks: WORSHIP, WITNESS, EDUCATION, MINISTRY, and APPLICATION.

In reaching for the 70's, we are not letting go of the 60's until the calendar leaf is torn away. In preparing materials and programs for the next decade, we recognize an obligation to the present one. Our efforts are faithful to make provision for today while laying the foundation for tomorrow.

In grasping for the key to unlock the mysteries of changed people in a changed world, we shall never release our grasp on the eternal truths we all live to communicate. The lordship of Christ, the authority of the Bible, and the empowerment of the Holy Spirit have been, are, and will ever be the bedrock upon which all of our efforts are secured.

If your association wishes additional information or you would like to use the new 16mm motion picture, VISION, about the history and ministry of the Board, contact the Office of Public Relations, Sunday School Board, 127 Ninth Avenue N., Nashville, Tennessee 37203.

CITY AND METROPOLITAN MISSIONS REPORT

Ernest C. Upchurch, Secretary

The City and Metropolitan Missions Department of the Division of Missions seeks to promote a total mission program in all of North Carolina.

The projected population growth of our state reveals a need to reach more people in the days ahead with the Christian witness of our churches. This department is the urban missionary effort of our convention to assist churches and/or associations in extending this witness.

Metropoltian missions has three distinct phases of its work, namely:

I. THE GENERAL URBAN CHURCH AND ASSOCIATIONAL MINISTRIES

A. Research and study has been made in metropolitan mission needs and ministries and ways and means of meeting these needs. These consist in actual studies of given areas and given work to learn from these special situations.

B. Churches and associations have been assisted in specific urban needs and long range planning of asscoiational city ministries.

C. Conferences and Seminars and Clinics have been well received by ministers and lay people in this area of work. The one outstanding metropolitan missions conference ot this nature was held in Durham, Temple Baptist Church, during the year .. Also, a very successful Rural-Urban Conference was held at Gardner-Webb College.

D. Urban institutional ministries have been encouraged among industry, hospitals, rest homes, etc.

E. Church extension ministry has been encouraged through pastoral assistance in keeping with the General Board's guiding principles, for thirty-six churches and missions.

F. New church lot assistance has been provided, in keeping with the General Board's guiding principles, for seventeen churches.

II. METROLOLITAN CHRISTIAN SOCIAL MINISTRIES

The compassion ministries of Jesus are not new - they were to all people from the beginning - "When he saw the multitude he was moved with compassion on them." Matthew 9:36.

Christ not only had compassion on the multitudes he also had compassion on individuals. He had compassion on the widow of Nain (Luke 7:11-15), on two blind men (Matthew 20:30-34), on a leper (Mark 1:40-42), and on many other people in need. Many of his miracles expressed compassion for people. In Matthew 25 he made it clear as to the seriousness of this helping ministry. The Christian Ministries is designed to meet the total compassion needs - moral and spiritual of mankind.

A. ASSOCIATIONAL PROGRAMS. The associational Christian Social Ministries includes services in Baptist Center work (kindergarten, weekday activities, Goodwill Centers), Rescue Missions, Youth and Family Services, Literacy Migrant and Relief Ministries, The New South River Association with Mr. John Halbert as the associational director has made remarkable growth in its ministry to all of Cumberland County and its fringe areas within the association.

The Gaston Association with the Reverand Gerald Edwards as associational director, has moved ahead in its ministry to all Gaston County. We are grateful to God for these dedicated young men and their ministry in these areas of our state.

The trend seems to be at this time to move toward assistance to associational

Christian Social Ministries programs instead of isolated ministries. It is our hope that churches within the association, with assistance from the associational director, can provide individual ministries to meet the needs of its people.

B. We are assisting financially two full time Baptist Center programs. One in Winston-Salem, Patterson Avenue Bapt. Center with the Rev. and Mrs. Roy Hood, Co-directors. One in Eden, the Dan Valley Baptist Center, with the Rev. and Mrs. Marvin Southard, Co-directors. These are sponsored in cooperation with the Home Mission Board and the respective associations.

A church-community weekday project was operated in the Mount Zion Association's West Hillsborough church community with Miss Patricia Ann Cox serving as summer worker. Also, another one in the mobile homes of the New South River Association, Fayetteville, with Mr. Don Saunders serving as summer worker.

C. YOUTH AND FAMILY SERVICES. Ministry in cooperation with the Raleigh Baptist Association and the Home Mission Board, Mr. Eugene Scarborough is serving as half-time minister of the Raleigh area.

Two limited part-time programs have been launched during 1969 - one in the Mount Zion Baptist Association with the Rev. E.J. Barbour, Jr. serving as director. Another in the Central Baptist Association with the Rev. Paul Odum serving as director. There are many more places that his ministry is needed, however, we are limited in finances and personnel at this time...

Many associations are electing Youth and Family Committees to perform a voluntary ministry as a "stop-gap method" of assistance here. All of our associations could and should elect committees to perform a volunteer ministry.

D. ADULT REHABILITATION. (This was changed this year to Youth and Family Services). A special adult rehabilitation project was held in Yates Baptist Association this year. This project directed toward alcoholics and their families. The Rev. Boyce Kimball served as minister to this project.

E. LITERACY. Workshops were conducted in several associations and among the field staff workers of metropolitan missions. One state-wide project of literacy training was held in Greensboro. Ways of implementing this work are being studied and strategies planned. Associations may request workshops in literacy if they are willing to sponsor a sixteen hour workshop. This is the minimum time required for teacher-training for non-readers.

F. MIGRANT WORK. This phase of our ministry is designed to share the Christian faith with the migrant and to develop in him a sense of his personal worth, belonging and responsibility. A cooperative ministry of this nature was held in Henderson County (Hendersonville and surrounding areas.) Mr. Charles Hayes served as minister during the summer of 1969. Volunteer leaders were used in the eastern part of North Carolina. The Rev. H.A. Privette, Superintendent of Missions of the Atlantic Baptist Association, coordinated the program for this association. Several other eastern North Carolina associations should be involved in this work.

III. THE WORK RELATED TO NON-EVANGELICALS

The work among the Jews, Catholics, Christian sects and Non-Evangelicals is directed to our churches through study and research through the help of the Home Mission Board. Basic information has been gathered and compiled in tracts and pamphlets, and distributed among our churches. Many new pamphlets related to this work have been written and distributed during the year in cooperation with the Home Mission Board's Department of Work Related to Non-Evangelicals. Our department is willing to

assist any interested association in a project of "mail out." The mail out ministry is designed to share pertinent information related to needs of the given association such as sects, etc. We welcome inquiries from the association about this cooperative ministry.

CONCLUSIONS:

The City and Metropolitan Missions Department ministries are administered in cooperation with the Departments of Metropolitan Missions, Christian Social Ministries and Non-Evangelical of the Home Mission Board of the Southern Baptist Convention. The cooperative method assists this department supplying joint employed personnel, funds, techniques and working closely with local co-sponsors of the mission's projects.

The department's continued concern and perspective is for all people, especially in urban areas of North Carolina. The department's ministries are a part of the total witness of State Missions. We use all available channels to inform churches and associations of mission opportunities and to motivate them to participate in mission actions to the glory of God and the salvation of the lost.

We convey our thanks to the Baptists of North Carolina and their churches, to Dr. W. Perry Crouch, General Secretary-Treasurer, Dr. Howard J. Ford, Director of the Division of Missions, to all the department field staff, and to Mrs. Hugh Grimmer, office secretary, for the faithful support given to metropolitan missions during the year 1969.

COMMITTEE ON PETITIONARY LETTERS

This Committee has met twice this year concerning two churches that have been under the watch-care of the Association for the past year. Our first meeting was with the pastor of Peace Valley Baptist Church on July 28, 1969. This Committee does not

recommend Peace Valley's membership into the Association for the following reasons:

The church has not submitted any further reports or records to the Association, there has been no support to the Association in any way during 1968-69. The church has no deacons and has lost most of its membership.

The Committee met with the pastor and deacons of Crestview Baptist Church on August 28, 1969. After a year under the watch-care of the Association and our examination, this Committee makes the following report:

Finding everything in order and acceptable, we recommend that Crestview Baptist Church be accepted into the membership of the Pee Dee Baptist Association.

SUPERINTENDENT OF MISSIONS

Another year of our Associational work has come to an end. We feel that it has been a good year in many ways. Listed below are some of the things that I have done:

1. preached 51 times in our churches
2. spoke at several prayer meetings
3. attended 11 pastor's conferences
4. had a part in licensing one of our young men to the gospel ministry
5. attended twelve state meetings outside of the association
6. attended Sunday School Week and Home Mission Week at Ridgecrest
7. Worked with several pulpit committees in helping them secure information concerning prospective pastors
8. Assisted churches in finding supply pastors
9. had many individuals conferences with people
10. During this year we have completed two Seminary Extension Courses and there are two more in progress at the present time. We owe a debt of gratitude to Mrs. Hayes and Mrs. Smart for their time and talent in writing a Music Course for our Association which is being taught at the present time - we hope you are enrolled.
11. we had 787 people to visit the Associational Office this year, have mailed out approximately 10,000 pieces of mail, and I have driven my car 18,720 miles

We feel as if there have been many accomplishments, and if there has, it has come about because of your wonderful spirit of cooperation.

Thanks for all you do, physically and financially, in helping us do this work.

Respectfully submitted,
H.E. Langford,
Superintendent of Missions

REPORT ON CHRISTIAN HIGHER EDUCATION

The Division of Christian Higher Education of the Baptist State Convention functions chiefly through the Council. The Council membership is made up of eighteen members of the Education Committee of the General Board, seven college presidents, seven chairmen of boards of trustees, and seven academic deans. Ex-officio members include the president of the Convention, president of the General Board, General-Secretary Treasurer of the Convention, and the president of the State Woman's Missionary Union.

Dr. Ben C. Fisher is director of the Division of Christian Higher Education and executive secretary of the Council. Miss Grace Yow is secretary to Dr. Fisher.

North Carolina Baptists now have a university, four senior colleges, and two junior colleges: Wake Forest University, Winston-Salem; Campbell Senior College, Buie's Creek; Mars Hill Senior College, Mars Hill; Meredith Senior College, Raleigh; Gardner-Webb Senior College, Boiling Springs; Chowan Junior College, Murfreesboro; and Wingate Junior College, Wingate.

There are currently enrolled in all North Carolina Baptist colleges approximately 12,000 students.

In these institutions there are more than 500 young men and women preparing for full-time Christian service. This includes those preparing for the gospel ministry, to be missionaries, educational directors, directors of church music, Christian college teachers, chaplains, and denominational workers.

In each college catalog may be found a statement of Christian purpose. The Christian college operates on the basic assumption that apart from religious commitment life can have no ultimate meaning. Jesus Christ is the foundation of all truth and provides the frame of reference in which all knowledge can be examined and used for the good of man and for the glory of God, and the two cannot be separated.

The North Carolina Baptist college curricula provide courses in the study of Bible, Church History, and related subjects which give students new insights and commitments to the Christian faith.

All colleges have regularly scheduled chapel services which provide an opportunity for worship, meditation, scripture, prayer, music and preaching. Baptist colleges are not only concerned with the special role of training the Christian vocational worker, but they are also concerned with teaching churchmen who will take Christian views and sympathies into any vocation which they enter.

The Cooperative Program is the Baptist college lifeline. Administrations, faculties, students, trustees, and alumni are deeply grateful to North Carolina Baptists for this support.

The Baptist College Day offering has become another significant means of financial support to our Baptist colleges, and each church is urged to participate.

L.H. Williamson

REPORT OF THE ANNUITY BOARD SOUTHERN BAPTIST CONVENTION

INFLATIONARY TREND CONTINUES

During 1968, neither inflation nor the economy showed any evidence of a slow down. Even as late as the second quarter of 1968, there was no sign of a leveling off by the inflationary trend. The cost of living rose 4.7% pushing the Consumer Price Index to a record 123.7 in December, 1968. This was the greatest increase since 1951.

This inflationary trend continued to affect the buying power of everyone, including the retired.

To meet the needs of retiring ministers, church staff members, and denominational employees, the Annuity Board has developed the Southern Baptist Protection Program to provide an adequate retirement income. As the inflationary trend continues, many churches and agencies are upgrading their retirement program by contributing 10% of total salary. The Annuity Board and state conventions heartily recommend this action.

Response to the three-plan Protection Program was good during 1968. The Program includes: Plan "A," the basic retirement fund; Plan "B," the supplementary fund; and Plan "C," the variable fund. Response was also good in the Life and Health Benefit Plans.

HIGHLIGHTS OF 1968

1. 3,451 new members in the Southern Baptist Protection Program
2. 23,714 members now participating in Plan "A," 1,538 more than in 1967
3. 18,086 churches providing protection for their pastors
4. 145 agencies providing protection for 9,894 employees
5. $173,863 given in relief grants
6. $6,54[illegible],169 paid in total relief and protection benefits

7. 3,106 applications for Health Benefit Plan, 1,677 net gain
8. 790 applications for Life Benefit Plan, 134 net gain

THIRD YEAR FOR "13th CHECK"

For the third consecutive year, the Annuity Board issued a "13th check" to all recipients of life retirement benefits. The extra check, amounting to 12% of each person's annual benefit, was made possible by interest earnings in excess of the amount necessary to pay the retirement benefits. The excess earnings are distributed to plans of active members as well as to retired persons.

Information about the Protection Program and the Life and Health Benefit Plans can be obtained from your state Baptist building or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

COOPERATIVE PROGRAM REPORT

WHEN THE WORD "STEWARDSHIP" is used, most of us begin to see dollar signs $ $ $! If we think of stewardship only in terms of money, we miss the mark in our concepts. Stewardship means RESPONSIBILITY -- responsibility in all areas of life. We are stewards or trustees of our time, our talents and our abilities. The Christian attitude is that we are responsible beings and must one day give account to our Maker for all that God provides.

The worship of God with tithes and offerings through our churches provides a way for expressing our gratitude for His blessings.

Those of us who are privileged to leadership are dedicated to teaching and training in the Biblical doctrine of stewardship and try to give our very best to this ministry.

Materials for informing our people are produced and distributed by the Department of Stewardship and Development. R.T. Greene is Secretary and Mrs. Susan Cockrane is office secretary.

Teaching and training in the Forward Program, Growth in Christian Stewardship and Simple Plans for Stewardship Development is the reasponsibility of Harold White and his associate, Cleve Wilkie. Mrs. Dorothy Smith is office secretary.

Mrs. Smith is also office secretary for the Annuity Department, Guy Cain, Secretary.

The distribution of films, filmstrips and other audio visual materials and a radio and television ministry is carried on by L.J. Morriss, Mrs. Esther Kidd, office secretary, is assisted by Mrs. Frances Riley and Mrs. Sylvia Neely in this work.

O.J. Hagler is Director of the Division and Mrs. Lacy Coates is secretary.

THE COOPERATIVE PROGRAM is the MAIN channel for supporting World Missions, Christian Education, Social Services and an ever expanding State Missions program. The goal for these causes this year is $6,750,000.

A special State Missions Offering goal of $250,000 is a challenge to all Baptist churches. Other approved special offerings -- The Lottie Moon Christmas Offering, The Annie Armstrong Easter Offering, The Heck-Jones Memorial Offering, the Hospital Special on Mother's Day, the Thanksgiving Special for the Baptist Children's Home, Christian Education on Father's Day and the offering for the Homes for the Aging in February -- all combine to an amount that will approach ten million dollars in 1969.

As dedicated Christian stewards, will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget.
2. To increase the percentage of the offering plate dollar given through the Co-operative Program.

Respectfully submitted,
G. Carl Lewis

ASSOCIATIONAL FOUNDATION REPORT FOR 1969

By: C. Gordon Maddrey, Executive Secretary

The assets of The North Carolina Baptist Foundation, Inc. have now reached beyond the only million dollar ($1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from $350,000 to the present excess of slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is really a SERVICE arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to:

(1) God, (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptists in a most concrete way.

Respectfully submitted,
David W. Jay

REPORT OF THE BIBLICAL RECORDER

The year 1969 has been one of the most significant in the 136-year history of the BIBLICAL RECORDER. True, we cannot point to any spectacular gains in circulation, but each week the RECORDER is read by almost 300,000 North Carolina Baptists in some 90,000 homes. For almost a century and a half the RECORDER has played a vital role in the life of our convention and state, and it will continue to do so.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark -- an historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

The first half of this year, of course, saw much of the news interest focused on the General Assembly. Possibly more than any other assembly to date, this year's session was of vital importance to Baptists and other Christians across our state. Because of this importance, the RECORDER gave special emphasis to reporting moral and social issues being considered by the legislature. Our readers responded in marvelous fashion, making the impact of the church felt throughout the state.

Whenever something significant was happening among North Carolina Baptists,

our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of the trust North Carolina Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership in our churches. The RECORDER should be in every Baptist home.

We will continue to speak the truth in love.

Respectfully submitted,
Billy Graham

REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee met four times during the past year. Reports were received at the meetings from the heads of the Associational Sunday School, Training Union, Woman's Missionary Union, Brotherhood, Superintendent of Missions and Financial Reports.

1. The following items of business were taken care of at the October 29, 1968 meeting:

The Moderator appointed a committee of five to study the possibilities of purchasing some property for the Associational Office. They were to bring a report back to the Executive Committee at their next meeting.

Mr. Broadway reported for the Nominating Committee. The following committees were elected: Missions, Nominating, Evangelism, Finance, Order of Business, Ordination Advisory, Petitionary Letters, Committee on Committees, Interracial Cooperation, Seminary Extension, Constitution and Resolutions, and Associational Representatives, Parliamentarian, Historian and Associational Council.

The motion was made that we approve an application to the Baptist State Convention for financial aid for the Associational Missionary in the amount of $3,000.

2. At the January 27, 1969 meeting there were 27 members present. The Vice-Moderator, Wayne Driggers, called the meeting to order in the absence of the Moderator, Scott Turner, Jr. Leroy Yates reported for the committee on a property site for the Associational Office. The property not being suitable and that no property would be purchased at this time.

The Camp Committee appointed by the Moderator were: Beway M. Shaver, Chairman, Paul Chiles, Alton A. Coble, Mrs. Doran Cook and Mrs. David Hudson.

3. With 18 members present at the April 28, 1969 meeting, Mr. Turner reported for the Camp Committee. There would be no Associational Camp this year. That we encourage our children to attend the state camps we have. A motion was made that the Camp Committee be continued and plans begun for the possibility of having a Camp next year.

Mr. Langford suggested that a picture and an up-to-date history of each church be given to him to be made into a booklet of about 100 pages for approximately $2.00 each. After some discussion a motion was made that the Moderator appoint a Committee to study this suggestion with Miss Marks and Mr. Langford and that a report be brought back to the Executive Committee at their next meeting. Ben Broadway was appointed Chairman, Glenn Snider and Leroy Yates.

4. At the July 28, 1969 meeting Mr. Broadway gave a special report on the Association publishing a booklet with a brief history of each church in the Pee Dee Association.

The following recommendations were made:

1. That we print a brief history of each church in the Pee Dee Association This will be incorporated into a booklet along with a brief history of the Association itself.

2. The Booklet will be a compiled as follows:
   a. Each church allotted three (3) pages in the base price of the booklet
   b. One (1) page will contain a picture of the church building
   c. One (1) page opposite the picture will carry the history of the church but to continued in the back of the book for the third page
   d. The history of the Association will be placed as the Committee may see fit

3. Any church desiring more than the three (3) pages alloted as per item two, will be considered as extra expense for the booklet and will be charged to the church at the rate of nine dollars ($9.00) per page.

4. That the Association purchase 600 copies at the approximate price of two ($2.00) dollars per copy which will be made available to the members of the churches at the best price possible.

Bob Spears presented the proposed budget for 1969-70 for approval by the Executive Committee. A motion was made that the Executive Committee suggest that a goal for each Church be set at $3.00 per church member or 3% of the total receipts of the churches.

The Moderator appointed a Committee on Place and Preacher: Hugh C. Fortson, Chairman, W.C. Boney, Jr. and John Watson.

The Committee on Enrollment were Grover Vaughn, Chairman, Majorie Sullivan, Lonnie Brigman, Mrs. Leroy Yates, and Mrs. W.H. Anderson.

In the above proceedings, all reports mentioned were adopted all motions carried and all officers nominated were elected.

Respectfully submitted,
Scott Turner, Jr., Moderator

ANNUAL CHURCH TRAINING REPORT

These are exciting days for Church Training. Many new ideas, new materials, and the new seriousness to our need for Christian training are coming to us through the Church Training Ministry. This has been a busy year for Church Training in the Pee Dee Association. We have 22 Training Unions in our Association with an enrollment of 1,421. Our goal for next year is 37 Training Unions with an enrollment of 1,600.

May I urge each of you to study and stay up to date with current Training Union materials, especially the Training Union Magazine. This is essential in order to keep Associational Training Union sponsored events. They were Associational Youth Night and the Associational "M" Night. These events were very successful and proved to be inspirational to all who attended. "M" Night was held November 25, 1968 at the First Baptist Church in Hamlet, N.C. We had a total attendance of 293. Twenty-two churches were represented, 14 pastors present, 14 directors present, and one Associate pastor. Youth Night was held March 9, 1969 at Second Baptist Church, Hamlet, N.C., with an approximate attendance of 275.

Also, may I thank each of you for your prayers, assistance, and support in carrying

on the Church Training work. I would like to plead with you to support and make use of the Church Training Ministries as a means toward a more effective Christian witness through the local church.

Respectfully submitted,
A.G. Ferris,
Associational Training
Union Director

EVANGELISM REPORT

The simultaneous revival meetings held last spring as a part of the Crusade of the Americas bore evidence, in some places across the state, of being genuine spiritual revivals ... Where God's people sowed bountifully, they reaped gloriously. In our Association the Crusade was gratifying. The Holy Spirit blessed and used the Crusade to bring renewal and regeneration to many individuals. Several pastors of the Pee Dee Association were excited about the results.

The Chairman of Evangelism was unable to get a report of additions from all the participating churches, but the following statistics were received:

First Baptist, Laurinburg: 3 baptisms, 3 transfer of letter and 1 by statement
Stewartsville: 2 baptisms, 4 transfer of letter, 1 by statement
Laurel Hill: 2 by baptism
Skyway: 7 by baptism
Rockingham, 1st 14 baptisms, 2 transfer of letter
Hamlet, Second 2 by baptism
Bethel: 1 by baptism, 7 by letter
Calvary: 1 by baptism
Cobb Memorial 1 by baptism

As we face the future in evangelism we should take note of what happened this year where outstanding revivals were experienced. This will give some guidelines for future plans in evangelism. As observed across the state some of the characteristics were:

1. In every state where an unusual revival was reported there had been an unusual prayer concern and prayer participation across several months on the part of some church people---usually the leaders. This definitely says something to us for the future.

2. Some of the most powerful revivals in our state started among the young people of our churches. Young people are prominent in many places today (mostly in worldly places), and it is encouraging to know that when they offer themselves to God to be used in His purpose, as many are doing, that revivals break forth in the churches. This has taken place in several churches in North Carolina this year. It ought to be happening everywhere.

In the light of what we have seen this year, here are some "MUSTS" for the future:

1. To seek earnestly to be completely assured in our hearts and minds that the only hope for us and all people is Christ - Christ as He and His gospel are revealed by the Holy Spirit through the Bible, the inspired and inherent Word of God.

2. To purpose to engage daily in searching the Scriptures and in praying for

spiritual revival in the churches. Some have made a beginning in this vital matter and all other Christians should join them and continue steadfastly therein.

3. To proclaim faithfully "publicly and from house to house" (Acts 20:20) the glorious gospel of Christ, and to make this purpose central in all church plans, programs and activities.

Respectfully submitted,
Wayne Driggers

The Missions Committee of the Pee Dee Baptist Association had one called meeting during the year.

The general program of the Association was discussed at length with our superintendent. We feel that it was a helpful meeting. There were no recommendations.

CHARLES BENNETT DEANE
1898 - 1969

Charles Bennett Deane was born in Anson County, the son of John Leaird and Florence (Boyette) Deane. His parents moved to Rockingham where he worked as a young man in the Pee Dee Textile Mill. He received his education at the Pee Dee Academy, the Trinity Park Preparatory School, Durham, and Wake Forest University, where he graduated from the Wake Forest Law School in 1923. He was married to the former Miss Agnes Cree, daughter of the later Mr. and Mrs. James A. Cree.

On August 10, 1913, he was baptized into the fellowship of the First Baptist Church, Rockingham, where his membership remained for his lifetime, except for the years in which he was a college student. He served through the years in many capacities in the organized life of the Church, including several years as a Sunday School teacher, numerous terms as deacon and often chairman of the deacons, and trustee of the Church, an office which he held at the time of his death.

From 1927-1954 he was clerk of the Pee Dee Baptist Association. From 1932-1959 he was Recording Secretary of the Baptist State Convention of North Carolina. In 1959 he was elected President of the State Convention and served for two years with distinction. In 1969 Wake Forest University presented him with the Distinguished Service Citation and in 1961 conferred upon him the honorary degree, Doctor of Humanities. He was also active in the affairs of the Southern Baptist Convention, having served as Chairman of the Committee on Boards. He was a member of the Southern Baptist group on the Baptist Joint Committee on Public Affairs, composed of representatives from all Baptist Conventions in North America.

During his last two years he demonstrated his greatest courage and faith in a fight against intense suffering and many weeks of hospitalization. He said "I want to dedicate even my suffering to Christ and to changing people." Ten months before his death he began to plan his own funeral service. He wanted the funeral service to be an experience of worship. He selected portions of Scripture which should be read, two hymns to be sung by the congregation: "Rise Up, O Men of God," and "In Christ There Is No East or West" and those who would lead the brief service. Following his request a choir from the Church and community sang the "Hallelujah Chorus" from Handel's Messiah." The funeral service reflected his own spiritual victory and that which he desired for men everywhere.

The influence of this outstanding Christian shall live many years beyond his physical death. In recognition of and in honor to his Christian spirit and tremendous service in the cause of Christ we dedicate this Associational Annual for the year 1969-1970.

EXECUTIVE COMMITTEE REPORT

The Executive Committee met on its regularly appointed dates and at two other called meetings during the last year. Beside the regular reports and routine business the following action was transacted:

1. The resignation of Hoyle Langford as Superintendent of Missions was received and accepted, and letters of recommendation were sent to the Eastway Baptist Church, the Pastor's Conference and Moderator of the Pilot Mountain Association, the BIBLICAL RECORDER and to Hoyle Langford himself. Also a motion from the finance committee was adopted to pay the outgoing Superintendent of Missions for two (2) weeks of vaca-

tion not taken during the past year.

2. On March 23 a special meeting of the Executive Committee was called to consider a recommendation by the Missions Committee to call Austin Lovin as our new Sup't. of Missions. He was introduced and the members of the Executive Committee were given opportunity of open discussion with him. A call was entended for him to come and serve as our Sup't. of Missions with the salary and fringe benefits in the existing budget plus $500.00 for moving expenses. The motion to call carried unanimously and Mr. Lovin accepted.

3. At the next regular meeting of the Executive Committee in April a reception was planned for Mr. and Mrs. Austin Lovin to be held at the First Baptist Church, Rockingham, with all members of the Churches invited to attend.

4. Also, at this meeting Mrs. Branham's resignation as clerk-treasurer was accepted and Richard Whitley was elected as new clerk-treasurer.

5. At the last regular meeting of the Executive Committee the proposed budget for the new year was adopted and it was decided to follow the recommendation of the Home Missions Board School for Associational Clerks at Ridgecrest last year and call our annual associational printed report an "Annual" rather than "minutes." The canned reports of the State and SBC were also eliminated, and it was decided to have the constitution of the Association printed in brochure form and distributed among the Churches, rather than to pay the cost of repeated printings in the annual each year.

6. At a called meeting October 12 action was taken to form a committee to find a permanent home for the associational offices.

7. Each church should strive to be represented at each meeting by their pastor and representative.

Respectfully submitted,
R.E. Whitley,
Clerk-Treasurer

THE ASSOCIATIONAL MISSIONARY'S REPORT

During the five months I have been your Missionary we have had a growing appreciation for the pastors and other church leaders with whom we have worked. My wife and I want to thank all of the many people who have gone out of their way to help us get "settled" and make the adjustments necessary.

Our major emphasis thus far has been visiting the churches, getting to know pastors and other leaders and trying to discover where we are as an association. Having done this, we are in a better position to suggest the direction we should take in the coming year.

Statistics tell only a part of the story, yet they do present a factual picture of our work for May through September:

1. Preached 21 sermons
2. Conducted five prayer meetings
3. Attended services in all but 3 of the churches in association
4. Attended various associational and state convention clinics, conferences and workshops
5. Taught Sunday School work in 2 churches and 1 Central School
6. 302 individual and 8 group conferences
7. Assisted department leaders and committees in planning and promoting their

programs

8. Served as staff missionary for Camp CaRAway June 22-26
9. Fifteen committee meetings
10. Traveled 10,730 miles in associational work
11. Attended four receptions
12. Held "Open House" at the associational office during Associational Missions Week.
13. Member of "Pastor's Panel", a radio program on WAYN, Rockingham
14. Attended Pastoral Counseling classes twice weekly at R.T.I.
15. Spoke on missions at two Vacation Bible Schools

During 1970-'71 we focus attention on three specific areas. As we progress in these, we will be laying a solid foundation for progress in all that we do. These areas are:

1. Help our pastors:
   A. Monthly Pastors' Conferences (continued)
   B. Weekly informal meetings
   C. Pastor's Prayer Retreat, Camp CaRAway
   D. Pastors and wives fellowships
   E. Missionary visiting pastors on fields
2. Teaching Improvement:
   A. Associational Training Schools
   B. Promotion through associational newsletter
   C. Weekly Planning Meetings
   D. Helping individual churches as requested
3. Emphasis on Outreach:
   A. Through the new Sunday School Organization
   B. Through visitation programs
   C. Through prayer for specific persons
   D. Through creating an expectant attitude
   E. Through prayer for preaching services

These are not the only areas of need, bu they are so basic that I believe this is where we should focus our attention during this year. We have tried to suggest some practical ways we can seek to meet these needs, along with our regular, ongoing program.

Respectfully submitted,
Austin Lovin, Supt. of Missions

EVANGELISM COMMITTEE REPORT

GOOD NEWS!!

Evangelism is the sharing of the Living Water which is Christ Jesus. The flow of this Water of Life springs from the inner source that God has implanted in human hearts. The Water is made valuable---in the eyes of the beholder---by the process of Evangelism.

Some church across the Association experienced outstanding evangelistic renewal as a result of dependence upon the Holy Spirit, genuine prayer, careful planning, and involvement of adults and youth in witnessing. To others of us who have not seen a great movement of our people toward God. "Let us not be weary in well-doing, for in due season we shall reap if we faint not."

Let us give ourselves in prayer. Each great revival that swept our land has been preceeded by much prayer. God is ready and the time is right to have a great revival if we are willing to pay the price in prayer and witness---in sweat and sacrifice!

SUNDAY SCHOOL REPORT

The primary task of Sunday School is to teach the Biblical Revelation. Related tasks are: to reach persons for Christ and church membership; to perform the functions of the church within its constituency (worship, witness, learn and minister daily); to provide and interpret information concerning the work of the church and denomination.

The Associational Sunday School organization plans its activities to help the churches to perform their Sunday School tasks.

This coming year your Associational Sunday School organization has planned the following activities:

1. Associational Central School for:
   A. Sunday School Administration Books
   B. Books on Understanding the Age Levels
   C. Books on Methods
2. January Bible Study Retreat (for Pastors)
3. Vacation Bible School Clinics
4. Action Night
5. Planning stages for Sunday School Enlargement Campaign

This past year there were two VBS Clinics held in the Association. The first, April 13, First Baptist, Hamlet, the second, May 4, First Baptist, Laurinburg. The VBS faculty was: Mrs. D. Edwin Hudson, Paul Chiles, Stan Cabell, Mrs. R.C. Davis, Mrs. G.B. Vaughan, Mrs. J.W. Wallace and Alton A. Coble. Mrs. Hudson served as Associational VBS Director. There were ___VBS' held in the churches.

In lieu of Action Night a Central School for the study of the Sunday School Administration books was held at Second Baptist, Hamlet. About 90 people were enrolled for this course.

This November 6-7 a group of our pastors will travel to Camp CaRAway for a study retreat. The subject for study is the January Bible Study selection for 1971. "Letters of John". The pastors will be led by Austin Lovin, our Superintendent of Missions.

The Association Sunday School had a representative at the State Shaping the '70's Conference in Greensboro in February; five representatives at a '70's Sunday School Conference at Fairmont in April and the Associational Sunday School Director led the Sunday School Conference at the Shaping the '70's Clinic at First Baptist, Rockingham.

The Pee Dee Association Sunday School organization recommends the following goals for the coming year of "Living the Spirit of Christ in Openness and Freedom" emphasis:

1. That all churches continue implementing new structures for the '70's.
2. That all churches launch a Sunday School enrollment visitation program.
3. That all churches make a prospect search (census) for the unchurched and unenlisted.
4. That all churches observe January Bible Study
5. That all churches inaugurate personal witnessing plans through the Sunday School.
6. That all churches have a Vacation Bible School

Respectfully submitted,
Alton A. Coble, Director
Associational Sunday School

CHURCH TRAINING REPORT

Many exciting plans and changes have been experienced in the Church Training Program. Much of these plans are in the process of being implemented. There will be much more to accomplish as we move toward a greater and better Church Training Program for this decade. It is hopeful that by the end of 1971 every church in the association will have a Church Training Ministry.

I encourage each Church Training Union to avail themselves of the many helps now available in carrying out this ministry. A new curriculum is being offered that will help update the Church Training Program. The church and association will benefit from a thorough examination of this new program.

The Associational records show that we have 20 Training Unions with an enrolment of 1214. Our goal for next year with an enrolment of 1500.

"M" Night was held November 24, 1969 at the Pine Grove Baptist Church, Rockingham. We had a total attendance of 336. Twenty-one churches were represented, twenty pastors present, fourteen directors and two associate pastors.

I am deeply grateful for your prayers, assistance and support in the carrying on the Church Training work. May I make this exhortation that the churches make every use of the Church Training Program for further development of the ministries of the church. May this also then be reflected in the spiritual growth that can be experienced in the year ahead.

Respectfully submitted,
A.G. Ferris, Director
Associational Church Training

W.M.U. REPORT

Our civilization made progress by many periods of change. If we had been contented with our country as it was in the eighteenth century, we would be living in a country minus many modern conveniences. Even so, in our Christian life in order to reach the most people in the shortest time we must consider a change of ways. This is being done this year in our Woman's Missionary Union.

In our new plans we are attempting to put into practice what we have said in words. Truly, the time is ripe for action and act we must if the precious news of the Gospel is to be given to out sin-sick confused world. We must resort to the teachings of Jesus, "Go out and compel them to come in".

If we, according to God's Word, join ourselves as one, we will make great strides in putting into effect our new plans. I'm sure through the power and work of the Holy Spirit, much work can be accomplished. Perfection came about by practice, thus, if our plans do not seem to materialize as we feel they should, remember, many "kinks" iron out with time.

Our plan of work presents a great challenge to every Missionary Union. The church exists to make Christ known to all men and to extend His Kingdom to the uttermost parts of the world. This is the purpose of our Associational Woman's Missionary Union.

Assistance has been given to many of our churches during the past year. Plans are in effect to give more assistance in the future. Six of our Associational women attended the workshop at our new W.M.U. Camp Mundo Vista.

We were honored to have had Miss Sarah Ann Hobbs, our State Executive Secretary, with us in March to explain the new plan of work for the seventies. Many attended and were blessed with challenging information.

Some of the highlights during the summer months included the enjoyable times spent by our G.A.'s at our new W.M.U. Camp Mundo Vista. My, how thrilled we are to possess such a haven on earth!

At present a committee is at work revising the old W.M.U. Associational By-Laws. This is especially important due to our changing plans.

On October 27th, a Workshop will be held at the First Baptist Church in Rockingham at 7:30 P.M. This meeting should be very enlightening to our new plan of work. We will be looking forward to having you with us.

As we glance over our past we realize that we have not been able to meet all of our goals, however, we are looking forward to a brand new year in which we can serve the greatest of all Kings, our Lord Jesus Christ. Through Him we will be able to set our goals high - "For without Me ye can do nothing". John 5:15b.

MISSIONS COMMITTEE REPORT

A special call meeting of the Missions Committee was held November 21, 1969 to consider a letter of resignation from Rev. Hoyle Langford. He resigned, effective January 15, 1970, to accept a call to a church in Winston-Salem. It was accepted with regret.

Other business at this meeting included asking Rev. Scott Turner, Jr. (Moderator) and Rev. Ben Broadway (Chairman, Missions Committee) to serve as consultants in the Associational Office until another missionary was secured. They were also asked to check with the State Convention office and elsewhere for names of prospects and report back to the Missions Committee, and a motion that Brother Langford be given $50.00 and Mrs. Bundy $25.00 Christmas gift as a token of appreciation.

Other meetings were held in February and March to consider Rev. Austin Lovin, a prospect, and to invite him to meet with the Committee. This meeting was held and the motion was approved to recommend him to the Executive Committee at a call meeting of that Committee.

After Mr. Lovin was on the field, a call meeting was held June 18, for the general purpose of helping the missionary and the committee to have a better understanding of each other. The following motions were approved:

1. That the Missions Committee work out definite plans for an Associational World Missions Conference for March, 1972.
2. The Missionary was asked to proceed with plans for a Seminary Extension Course.
3. The Missionary was granted a 10 day leave of absence to attend his son's wedding in Phoenix, Arizona.

Rev. Ben Broadway resigned as chairman of this Committee because he was leaving the First Baptist Church, Hamlet, to become Promotional Secretary for the Wilmington Association.

Rev. T. Robert Mullinax was elected as Chairman of the Missions Committee to succeed Rev. Broadway.
